CODING INSTRUCTIONS

The left hand portion of this card will be processed by the IBM 1287 scanning computer. In order for your numbers to be understood, they must be printed exactly like the sample numbers on the top of the page. For example, if the 6, 8, 9, or 0 are not completely closed (i.e. 6, 8, 9, 0) they will not record properly. If the 2 or 3 have loops in them (i.e. 2, 3), if the 4 is made with a closed top (i.e. 4), or if the 7 is not made with just two straight lines (i.e. 7, 7), the number will not be properly recorded. Please make your numbers large but *completely within* the blue borders.

Class index numbers are listed next to each section of each class in the schedule. Do not leave spaces or put dashes between the digits of your social security number. Please be absolutely certain that all your numbers are correct. Thank you.

Registration Schedule

(See page 81 for Spring Term)

Graduate — Senior

All graduate students and seniors (96 semester credit hours through graduation) will register in the following order:

THURSDAY, JANUARY 4, 1973

A.M.	A.M.	A.M.	P.M.
8:00 Horr thru John	9:45 Plau thru Rich	11:30 Aaaa thru Bair	2:00 Earm thru Fowl
8:15 Joho thru Kohl	10:00 Rici thru Scot	11:45 Bais thru Bird	2:15 Fowm thru Gree
8:30 Kolm thru Long	10:15 Scou thru Sore	P.M.	2:30 Gref thru Harv
8:45 Lonh thru Mcfa	10:30 Sorf thru Tann	1:00 Bire thru Bull	2:45 Harw thru Horq
9:00 Mcfb thru Mund	10:45 Tano thru Vath	1:15 Bulm thru Chri	4:00 All Garduate and
9:15 Mune thru Osgu	11:00 Vati thru Wild	1:30 Chrj thru Crox	Senior latecomers,
9:30 Osgv thru Plat	11:15 Wile thru Zzzz	1:45 Croy thru Earl	Aaaa thru Zzzz

Sophomore — Junior

All sophomores and juniors (32 through 95.9 semester credit hours inclusive) will register in the following order:

THURSDAY, JANUARY 4, 1973

P.M.			
3:00 Hodg thru Jack	3:15 Jacl thru John	3:30 Joho thru Kohk	3:45 Kohl thru Lewi

FRIDAY, JANUARY 5, 1973

A.M.	A.M.	P.M.	P.M.
8:00 Lewj thru Marb	10:00 Sane thru Sing	1:00 Asaz thru Bean	3:00 Finm thru Gess
8:15 Marc thru Melb	10:15 Sinh thru Stak	1:15 Beao thru Bodi	3:15 Gest thru Hadf
8:30 Melc thru Mumf	10:30 Stal thru Tann	1:30 Bodj thru Bull	3:30 Hadg thru Harv
8:45 Mumg thru Ocke	10:45 Tano thru Tule	1:45 Bulm thru Cham	3:45 Harw thru Hodf
9:00 Ockf thru Pear	11:00 Tulf thru Waug	2:00 Chan thru Cond	4:00 All Sophomore
9:15 Peas thru Pres	11:15 Wauh thru Will	2:15 Cone thru Davi	and Junior late-
9:30 Pret thru Rich	11:30 Wilm thru Zzzz	2:30 Davj thru Earl	comers Aaaa thru Zzzz
9:45 Rici thru Sand	11:45 Aaaa thru Asay	2:45 Earm thru Finl	

Freshmen

All freshmen (0 through 31.9 semester credit hours inclusive will register in the following order:

SATURDAY, JANUARY 6, 1973

A.M.	A.M.	P.M.	P.M.
8:00 Holb thru Jeps	10:00 Rowb thru Smith	1:00 Cale thru Chat	3:00 Glee thru Gurn
8:15 Jept thru Koff	10:15 Smiu thru Stro	1:15 Chau thru Cluf	3:15 Guro thru Hard
8:30 Kofg thru Lowa	10:30 Strp thru Turn	1:30 Clug thru Cric	3:30 Hare thru Hech
8:45 Lowb thru Mcta	10:45 Turo thru Whit	1:45 Crid thru Deed	3:45 Heci thru Hola
9:00 Mctb thru Nels	11:00 Whiu thru Zzzz	2:00 Deee thru Earl	4:00 All latecomers,
9:15 Nelt thru Pars	11:15 Aaaa thru Ball	2:15 Earm thru Farm	(Freshmen, Sopho-
9:30 Part thru Ques	11:30 Balm thru Blay	2:30 Farn thru Fred	mores, Juniors, Seniors,
9:45 Quet thru Rowa	11:45 Blaz thru Cald	2:45 Free thru Gled	and Graduates) Aaaa
			thru Zzzz

Registration For Faculty And Staff

FULL-TIME FACULTY AND ADMINISTRATIVE PERSONNEL

Full-time teaching faculty and administrative personnel may register for courses of study up to 6 hours per semester and will not be required to pay the regular tuition and fees, except that a maximum of 5 credit hours will be permitted during the daytime hours of 8:00 a.m. to 5:00 p.m. All those wishing to take daytime classes will need the written approval of their department chairman or supervisor and the dean or director. This written request and approval must then be submitted to the Benefits Office for final clearance.**

Continuing faculty members not teaching during the summer may take a maximum of 6 credit hours during the Summer Term. A new faculty member may not take classwork during the Summer Term before he begins teaching classes.

The spouses of full-time faculty members or administrative personnel may register for courses of study with no limit as to the number of hours, day or night, and will not be required to pay the regular tuition and fees.

FULL-TIME REGULAR STAFF

Full-time regular staff may register for courses of study up to 6 credit hours per semester, and the University will pay for 5 of those hours. The additional hour must be paid for by the employee. Courses may not be taken during regular working hours. Lunch hours, no matter when scheduled, may not be used for class attendance.

After the staff employee has completed 5 years of continuous employment as a full-time regular staff

member, his or her spouse may register for courses without restriction as to time or number of credit hours.

PART-TIME FACULTY

Part-time faculty members (not graduate assistants) may receive free tuition for a number of hours up to the number of hours they teach, not to exceed 5 hours per semester and will not be required to pay for these 5 hours (or less) regular tuition and fees. The part-time faculty member will need to pay for any additional hours he wishes to take.

Spouses of part-time faculty are required to pay regular tuition and fees for courses for which they register.

PART-TIME STAFF

All part-time staff members must pay the regular fees for registration in courses.

TUITION-FREE CARDS

Cards indicating eligibility for evening school only, may be obtained at the Benefits Office, C-40 ASB. If an individual is registering for daytime and evening classes, tuition authorization from the Benefits Office table in the Richards PE Building during registration.

SPECIAL NOTE**

Faculty members, staff members, and spouses who wish to register for daytime classes must be properly admitted through the Admissions Office.

Applications for approval to take daytime classes (8 a.m.-5 p.m.) may be obtained at the Benefits Office, C-40 ASB.

Academic Standards

To graduate from BYU, a student must have earned a 2.0 cumulative grad-point average on both his total college and BYU work. Academic standards regulating continuing student progress are consistent with the graduation requirements.

Students at any class level with a cumulative grade-point average of 2.0 or above will be considered in good academic standing. (Academic standing is determined by the cumulative grade-point average of credits earned at BYU.)

Academic Warning will be given if the semester grade-point average is below 2.0, even though the cumulative is at or above 2.0.

Academic Probation will be enforced when the cumulative grade-point average falls below 2.0.

Academic Suspension may result from a student's failure to bring his or her cumulative grade-point average up to 2.0 or above during the semester in which he or she is on academic probation. A student

who has failed to achieve a 2.0 accumulative grade-point average during a probationary semester, and has not been suspended, can always attend Spring and Summer terms.

Readmission will be available to any students previously suspended for academic reasons who bring their cumulative grade-point average to at least 2.0 by such means as approved attendance at Spring and/or Summer terms or satisfactory completion of Home Study work. (Individual programs leading to reinstatement may be developed by arrangement with the Academic Standards Office.)

Calendar For 1973

November 23, 24 (Thursday, Friday): Thanksgiving holiday.

December 15 (Friday): End of formal class period for Fall Semester.

December 16, 18, 19, 20, 21, 22 (Saturday, Monday, Tuesday, Wednesday, Thursday, Friday): Fall Semester final examination period.

WINTER SEMESTER 1973

December 1 (Friday): Final date for submitting all applications for admission or readmission for Winter Semester 1973.

January 3 (Wednesday): New-student orientation.

January 4, 5, 6 (Thursday, Friday, Saturday): Registration for Winter Semester 1973.

January 8 (Monday): Class instruction begins.

January 10 (Wednesday): First day changes in registration are permitted.

January 19 (Friday): Last day on which late registration may occur for Winter Semester and for adding classes.

January 22 (Monday): Fee of \$5 in effect for dropping classes. (Adding classes not permitted).

February 16 (Friday): Last day to drop first-block classes.

February 23 (Friday): Midsemester registration.

March 2 (Friday): Last day on which a student may officially withdraw from a class for reasons other than nonacademic emergencies.

April 12 (Thursday): End of formal class period for Winter Semester.

April 13, 14, 16, 17, 18, 19 (Friday, Saturday, Monday, Tuesday, Wednesday, Thursday): Final examination period for Winter Semester.

April 20 (Friday): Commencement.

SPRING TERM 1973

March 20 (Tuesday): Final date for submitting applications for admission or readmission for Spring Term 1973.

April 25 (Wednesday): New-student orientation.

April 26, 27 (Thursday, Friday): Registrations for Spring Term 1973.

April 30 (Monday): Class instruction begins.

May 2 (Wednesday): First day changes in registration are permitted.

May 8 (Tuesday): Last day on which late registration may occur and for adding classes.

May 9 (Wednesday): Fee of \$5 in effect for dropping classes. (Adding classes not permitted.)

May 28 (Monday): Memorial Day holiday.

May 30 (Wednesday): Last day on which a student may officially withdraw from a class for reasons other than nonacademic emergencies.

June 20, 21 (Wednesday, Thursday): Final examination period for Spring Term 1973.

SUMMER TERM 1973

May 30 (Wednesday): Final date for submitting applications for admission or readmission for Summer Term 1973.

June 21 (Thursday): New-student orientation.

June 22, 23 (Friday, Saturday): Registration for Summer Term.

June 25 (Monday): Class instruction begins.

June 27 (Wednesday): First day changes in registration are permitted.

July 3 (Tuesday): Last day on which late registration may occur and for adding classes.

July 4 (Wednesday): National holiday observed.

July 5 (Thursday): Fee of \$5 in effect for dropping classes. (Adding classes not permitted.)

July 24 (Tuesday): State holiday observed.

July 25 (Wednesday): Last day on which a student may withdraw from classes for reasons other than nonacademic emergencies.

August 15, 16 (Wednesday, Thursday): Final examination period for Summer Term 1973.

August 17 (Friday): Commencement.

Academic Regulations

HOW TO REGISTER

Fifteen minutes before their scheduled registration times, students should report to the main entrance of the fieldhouse. Here they will receive written instructions outlining the registration procedure.

WHERE TO PAY FEES

All fees listed in this class schedule are to be paid at the cashier's area during registration unless otherwise noted. After registration, fees should be paid in D-155 ASB.

LATE REGISTRATION PENALTY

Students who fail to register on the regular registration dates must pay a late registration fee. If a student registers during the first five regular school days after scheduled registration, the fee is \$5. After the first five days the fee is \$10. The penalty rate for part-time students is one-half that charged to full-time students. A fraction of an hour is count-

ed as a full hour for assessing fees.

ADMISSION OF EVENING CLASSES STUDENTS TO DAY SCHOOL

Students who are attending evening classes only and wish to transfer to day school and take daytime classes must submit application for admission to BYU prior to the established deadline dates for the semester they wish to attend. Application for admission may be obtained from the Office of Admissions, A-153 ASB.

ADMISSION TO CLASS

Students whose names are on the class roll are officially registered. If a student's name is not on the roll, he should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes three days after the completion of regular registration. Another roll is sent out during the third week which includes the names of all students registered for that class.

BLOCK-PLAN CLASSES

Any student desiring to register for a block-plan class must do so during his original registration at the start of the semester. This holds true whether or not the class is taught during the first or second half of the semester. No block-plan class may be added after Friday, January 19, 1973. Second-block classes start Monday, February 26, 1973.

Students who will be released from missions or the armed forces between January 19 and February 23, 1973, and who have been accepted to BYU are eligible to register for the second-half block plan. These students will register at midsemester registration Friday, February 23, 1973.

DROPPING AND ADDING CLASSES

The key to reducing changes in registration is filling out the initial registration carefully.

If a student must make a change in registration, the change must be approved by the instructors involved. No changes in the initial registration may be made until Wednesday, January 10, 1973.

Students are permitted to drop or add classes from Wednesday, January 10, 1973, through Friday, January 19, 1973, if their instructor(s) agree that the change is advisable. In exceptional cases, students may withdraw from classes until March 1. Withdrawals after March 1 are granted only for non-academic emergencies. Such an emergency withdrawal requires the signatures of the student's teacher, and the dean of his college.

After March 2 if a student withdraws from a class in which he is doing passing work, his permanent record will carry a "W." If a student is failing, his permanent record will carry a "WE." This is considered the same as an "E" in calculating a grade-point average. Withdrawals will not be permitted for any reason after March 30, 1973.

If a student needs to change his registration he must do five things:

1. Obtain Change of Registration form from Registration Office, B-130 ASB
2. GET THE CONSENT AND SIGNATURES OF THE INSTRUCTORS INVOLVED.
3. PAY A \$5 FEE TO THE UNIVERSITY CASHIER. This is necessary if the change is made January 22 or anytime thereafter. Classes may not be added after Friday, January 19.
4. TAKE THE CHANGE-IN-REGISTRATION CARD TO REGISTRATION PERSONNEL, B-130 ASB.

Any student dropping a class in religion after the initial registration must also add another class in religion, unless he has a signed statement from the dean of the College of Religious Instruction officially excusing him for that semester.

Late registration ends Friday, January 19, 1973. No student may register after that date.

If a student wishes to completely withdraw from school, he must clear through the office of the Dean of Student Life.

EVENING CLASSES

DAYTIME STUDENTS taking evening classes (section 90 and above) must pay an extra fee of \$3.00 per class hour, in addition to regular tuition. This fee must be paid on the day the student registers for the evening class. Students who fail to do so will be charged a late fee of \$2.50. Day students must register for evening classes at the same time they register for day classes in the Richards Building.

Those who register for Evening Classes Only should register by mail before December 28, or register in the Smith Family Living Center multipurpose area on January 4 and 5 from 11:00 a.m. to 7:00 p.m.

FACULTY AND STAFF members who register for evening classes only must register by mail before Thursday, December 28.

LIMITATIONS OF CREDIT IN ONE SEMESTER

Undergraduate students in good standing may register for as many as 18 (Freshman 17) hours of credit in any one semester by following the regular registration procedure. The dean of a college may authorize a student who has academic ability of high quality to register for a maximum of 18 hours for the first semester in residence and a maximum of 19 hours for any succeeding semester. Any student who has completed 15 or more hours of college work and who has a cumulative grade-point average of 3.5 (or 3.5 average in the semester previous to registration) may register, with the consent of his dean, for 21 hours. Auditing of classes, registration for home study, or registering for evening classes or off-campus courses constitute a part of the student's total registration. Exceptions to these rules should be presented to the dean of Admissions and Records by the dean of the college concerned.

MAJOR REQUIREMENTS

A student must complete at least 20 semester hours in his major department and must satisfy any additional departmental requirements. A minimum of 10 semester hours must be earned on campus at BYU.

CHANGING COLLEGE OR MAJOR

A student who desires to transfer from one major to another, or from one college to another, may do so. However, he must clear this change through the deans of the colleges involved. Official change-of-major cards may be obtained from the office of the dean of the college in which the student is presently enrolled. After being properly signed, these cards must be turned in to the office of the dean of the student's new college one month prior to the next semester's registration.

WITHDRAWAL FROM BYU

No undergraduate student is officially withdrawn from the University unless he has obtained and completed the discontinuance form from the Office of the Dean of Student Life.

If the student finds it necessary to totally discontinue all classes he must:

1. Obtain discontinuance forms from the Discontinuance Office, B-234 ASB, phone 2723.
2. Obtain necessary signatures (explained on form).
3. Relinquish University activity card.
4. Have a personal interview and be signed out by a member of the Dean of Student Life staff.

Graduate School students and students enrolled only in Evening School classes will withdraw through those offices.

REPEATING CLASSES

Students can repeat classes at BYU. This can be done in three ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions.
3. Repeat at other institutions classes taken at the same institution—and then have the credit transferred to BYU.

When a student repeats a class, the grade used to figure the student's grade-point average is the grade earned the last time the repeated class was taken. The student must notify the Records Office, B-150 ASB, that the class has been repeated during the next semester after the class is repeated.

INCOMPLETE GRADES

The letter "I" (incomplete) is used to indicate that work is not yet completed. It is given only when special prior arrangements for the completion of the specific work involved have been made between the teacher and the student. The "I" never is given when a student has failed or is failing the

course. An "I" grade is regarded as an "E" until the work is completed and an Authorization for Change of Incomplete form is properly signed and submitted to the Records Office, B-150 ASB, within one year from the date the incomplete is given.

CLASS ATTENDANCE POLICY

BYU feels it is important that students attend classes for which they are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only where the student

is away representing the University on official business. All officially excused absences must be approved through the Office of the Dean of Student Life.

Faculty should tell students what relationship attendance has to their final grade for the course. The student must take the responsibility for his actions. It is not necessary for the instructor to report absences to the Office of the Dean of Student Life unless he has knowledge of an accident or illness which is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is the responsibility of the student.

Winter Semester Tuition And Fees

The largest private school in the nation, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. Approximately 70 percent of the cost of operating the University is paid from the tithes of Church members. Because of this, students who are Church members or their families already have made a monetary contribution to the operation of the University. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

All students who register will be expected to pay tuition and fees prior to or at the time of registration. Students are responsible to pay the correct amount of tuition and fees. The University reserves the right to change these figures without notice.

In computing tuition, an undergraduate student is considered full time if he carries 9½ hours or more. A graduate student is considered full time if he carries 9 hours or more.

The tuition assessed a full-time student is:

	Fall Semester	Winter Semester	School Year
LDS Church Members	\$300.00	\$300.00	\$600.00
Nonmembers	\$450.00	\$450.00	\$900.00

The tuition assessed a part-time student varies according to the number of hours registered for:

(per semester)	LDS Church	
	Members	Nonmembers
Minimum tuition and fees	\$ 60.00	\$ 90.00
3 credit hours	85.00	130.00
4 credit hours	110.00	170.00
5 credit hours	135.00	210.00
6 credit hours	160.00	250.00
7 credit hours	185.00	290.00
8 credit hours	210.00	330.00
9 credit hours	235.00	370.00

Note: An additional \$3 per credit hour is assessed for evening class hours (Section 90 and above) taken by a day school student.

A fraction of an hour is counted as a full hour in assessing fees.

The charge for noncredit courses or for auditing courses is the same as for taking them for credit.

Noncredit courses taken by part-time students are assessed on the basis of the number of hours involved in lecture classes. For example, 3 hours of lecture a week would be considered 3 semester hours and would be charged for accordingly. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees will be charged based on hours being carried during the semester, as determined by the supervising professor.

If a student takes a noncredit class, it can change his status from part time to full time. A student taking 8 credit hours plus a noncredit class involving 2 or more lecture hours per week would be considered a full-time student.

Part-time students are not eligible to purchase health insurance. They are also not entitled to health

service, student activity privileges, or physical education suit and facility privileges. All part-time students enrolled in one or more of certain physical education classes must pay an additional \$5. Students should check with the Cashier's Office for applicable classes.

After initial registration, a student who increases his number of credit hours must pay for these additional hours on the day they are added. If he does not, a late fee will be assessed.

LATE REGISTRATION FEE

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates. (NO EXCEPTION IS MADE REGARDLESS OF REASON FOR BEING LATE.)

- 1. First five regular school days following the scheduled registration date\$ 5.00
- 2. After the fifth day following the scheduled registration date\$10.00

Late fees for part-time students will be assessed at 50 percent of the rate for full-time students.

Any student whose check is dishonored by his bank will be charged a handling fee of \$5. If the check was for tuition, there will be an additional charge of the late fee in effect at the time the check is redeemed.

WITHDRAWAL REFUNDS

If a student withdraws from school, a refund will be made minus a charge of \$10 (\$5 for a part-time student). This withdrawal fee is assessed even though the student does not complete registration or attend school. In addition, there is a per-day charge of 3 percent of the total tuition and fees paid or payable for the semester. Students will be charged from the first day of the semester in which classes were held following the date they registered, to the day on which they report their withdrawal to the Office of the Dean of Student Life.

Late fees are not refundable.

Any refund due a student because of withdrawal from school will be made only by check, through the mail. It will come three weeks from the date on which the student reported his withdrawal and surrendered his receipt or activity card to the Dean of Student Life's Office.

No refund will be granted to a student who is requested to withdraw for scholarship or other causes.

No refund will be made directly to an unmarried student under twenty-one years of age unless the student has the written permission of his parents or legal guardian.

No refund will be made after August 31 of the school year in which payment was received by the University.

CLASS FEES

(Late fee of \$2.50 added on all payments for first- and second-block classes after January 19, 1973)

BUSINESS MANAGEMENT FEE

Business Management 380 and 381\$ 5.00

EDUCATION

Education 468, 673—4 credit hours\$25.00
 Education 468, 568, 673—2 credit hours 15.00
 Education 449, 479—8 to 10 credit hours* .. 45.00
 Education 449, 479, 578—4 credit hours* 25.00
 Education 449, 479, 578—2 credit hours* 15.00
 Education 475, 476—variable hours* 45.00

*For teacher education fees, all students must pay a \$10.00 nonrefundable deposit with application; the balance of the fee is to be paid at the time of registration. An additional \$10.00 late fee is assessed if application is completed after March 31 for Fall Semester and October 15 for Winter Semester. The \$10.00 late fee is not refundable under any circumstances.

HOUSING AND HOME MANAGEMENT 370

Resident students for one-half semester\$70.00
 Married nonresident students for one-half semester 40.00

(All resident students must pay a \$25.00 nonrefundable deposit prior to registration, the balance of the fee to be paid at the time of registration.)

Graduation Fee, Bachelor's Degree (only 50 percent refundable if degree is not obtained)\$12.00

Graduation Fee, Master's Degree or Doctor's Degree (only 50 percent refundable if degree is not obtained)\$20.00

Graduation Reevaluation Fee (for undergraduate students who wish to have a graduation reevaluation)\$ 2.00

Graduation Reevaluation Fee (for graduate students who defer graduation beyond the date formerly indicated)\$ 2.00

Graduate Student Service Fee (for graduate students using University facilities without formal registration for University classes per semester Minimum Tuition

INCOMPLETE GRADES

A student must complete an incomplete course within one year from the date the incomplete grade was given. Fee to be paid to remove incomplete and record permanent grade\$ 3.00

INDUSTRIAL EDUCATION (deposit)\$ 1.00**LATE REGISTRATION**

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates. (NO EXCEPTION IS MADE REGARDLESS OF THE REASON FOR BEING LATE.)

1. First five regular school days following the scheduled registration date\$ 5.00
2. After the fifth day following the scheduled registration date\$10.00
 Late fees for part-time students will be assessed at 50 percent of the rate for full-time students.

LOCKER RENTAL

1 Semester\$ 1.50
 2 Semesters 2.50
 2 Semesters and Summer Session 3.00

Key Deposit	1.00
Replacement of lost key	1.00
PARKING VIOLATION FINES	\$2.00 to \$15.00
RECORDS	
Hold Fee (to release holds placed on records because of financial delinquency)	\$ 2.00
Records Search Fee (duplicate receipt)	\$ 1.00
Transcript Fee (The fee for transcripts is \$1.00 for the first copy on every order plus \$.50 for each additional copy on the same order)	\$ 1.00

SPECIAL EXAMINATION FEES (undergraduate)	
Examination to Exempt Students from Taking a Required Class	\$10.00
Examination, Special Equivalency: Nonrefundable fee to take exam	\$10.00
Per-credit-hour charge based on a successfully completed examination (the maximum fee for credit in any one subject will be \$40 in addition to the examination fee. Each examination will be treated independently of any other examination and the charge will apply accordingly.)	\$ 5.00

Security And Traffic

The Security Office is a protective agency established for the benefit of students, faculty, and staff. It maintains effective liaison with the local police department and is entrusted with the proper enforcement of campus rules and regulations. All matters concerning security or requiring police action should be referred to this office.

Another major responsibility of the Security Office is the control of campus vehicle traffic and parking. Every BYU student who expects to own, maintain, possess, drive, or store a motor vehicle in the Provo area must register that vehicle with the Security Office within forty-eight hours after bringing it to the Provo area.

The Security Office also offers many other services to students and staff members, including the taking of fingerprints necessary for teaching certificates, government jobs, and ROTC. In addition, an ambulance service is maintained in cooperation with the student health center, at a minimal cost.

AUTOMOBILE REGISTRATION

To obtain a parking or registration decal, the following must be presented at the Security Office, B-69 ASB:

1. Home-state vehicle registration certificate.
2. University activity card.
3. The appropriate fee.
4. The name of insurance company.

Students from out of state who do not have Utah plates may obtain a nonresident permit for the vehicle as long as they are full-time students. Full-time employees of the University or students whose wives are full-time employees do not qualify; they must purchase Utah plates and pay Utah property tax. Either a non-resident permit or Utah license plates must be obtained immediately upon registration at the University.

To obtain a nonresident permit, a student must present the following at a Security station:

1. Home-state vehicle registration certificate.
2. Proof of current safety inspection from Utah or home state.
3. Fifty cents.
4. Verification of student status (activity card).

TRAFFIC REGULATIONS

Every student who is a resident of Utah or of a state other than those listed below must have a Utah driver's license if he wishes to drive in Utah. The following states have entered into a compact and a license from any of them is good in all others:

Arizona	Indiana	New Mexico
Alabama	Iowa	New York
Arkansas	Kansas	Oklahoma
California	Louisiana	Oregon
Colorado	Maine	Tennessee
Delaware	Mississippi	Utah
Florida	Montana	Virginia
Hawaii	Nebraska	Washington
Idaho	Nevada	West Virginia
Illinois	New Jersey	

For further details regarding traffic rules and regulations, a **Traffic Rules and Regulations Booklet** may be obtained at no charge from the Security Office located in the Abraham O. Smoot Administration and General Services Building. All faculty/staff members and students will be responsible for the information contained therein.

Brigham Young University maintains a zoned parking system. Upperclass permits are \$6 per semester for juniors, seniors, and graduates. Lowerclass permits are \$3 per semester and available to all students. The required registration is free but allows no campus parking until after 4:00 p.m.

New Academic Information

REVISED GENERAL EDUCATION REQUIREMENTS IN RELIGION EFFECTIVE SEPTEMBER 1, 1972

This policy revision will require every full-time undergraduate to take a religion course each semester in residence until a total of 14 semester hours has been accumulated. The specific applications are as follows:

1. For full-time undergraduate students (10 hours or more), one religion course will be required each semester until a total of 14 semester hours has been accumulated.
2. For part-time undergraduate students, one religion course will be required for each 16 regular semester hours accumulated, until a total of 14 hours in religion has been accumulated.
3. The required religion course will be 2-hour courses each semester for freshmen, sophomores, and

juniors and 1-hour courses each semester for seniors.

4. Religion credit earned at Church Educational System colleges and institutes will be fully transferable to accumulate the 14-hour total, subject to the 3-hour-per-semester maximum (prescribed in item 5). Students transferring religion credit must still take one religion course each semester until 14 hours have been accumulated.
5. No more than 3 hours of religion credit earned at BYU or elsewhere during any one quarter or semester will be counted toward the 14-hour maximum. Religion credit in excess of this amount, however, will be counted as elective credit in computing total hours required for graduation.
6. All students and faculty members are encouraged and expected to attend devotional assemblies; however, no religion credit will be granted for

such attendance. Credit earned by attending devotionals prior to September 1, 1972, will count toward the 14-hour total.

7. Graduate students are encouraged to register for 1-hour or other religion courses of their choice, but they are not required to register for a prescribed number of hours.
8. All undergraduate students are required to obtain credit for a 4-semester-hour sequence in Book of Mormon instruction, either at BYU or elsewhere on a college level in the Church Educational System. For most students, this will be Religion 121 and 122. Returned missionaries must fill this requirement by taking Religion 421 and 422. Other junior and seniors may also fill the requirement by taking 421 and 422 if they can verify to the dean of the College of Religious Instruction that they have studied the Book of Mormon intensively enough to provide a background equivalent to that of the returned missionary.
9. Remaining courses may be selected from the range of religion courses offered by or under the direction of the College of Religious Instruction.

HIGH HONOR RECOGNITION—GRADUATION

Brigham Young University has included in its graduation high honors recognition, "summa cum laude," in addition to the current "magna cum laude" and "cum laude." "Summa cum laude" is awarded to those students who have earned at least 45 hours of credit at BYU and have achieved an overall grade-point average of 3.85 or higher. "Magna cum laude" is awarded to those students who have earned at least 45 hours of credit at Brigham Young University and have obtained an overall grade-point average between 3.70 and 3.84. "Cum laude" is awarded to those students who have earned at least 45 hours of credit at Brigham Young University and have obtained an overall grade-point average between 3.50 and 3.69. Although the graduation program will indicate the nominees for high honors recognition, the high honors recognition will not be determined until after all grades are submitted for the student's last semester prior to graduation.

GRADUATION APPLICATION FEE AND DEADLINE

Students applying for graduation should pick up their applications from their major department or College Advisement Center. The completed application, initiated by the major department, along with the \$12 application fee should be submitted to the cashier by January 15 for students applying for April commencement and by May 15 for students applying for August commencement. Students not applying by their prescribed deadline will be automatically considered for the next commencement. All students are encouraged to apply for graduation early in their junior year (65 to 96 credit hours).

GENERAL EDUCATION RECOGNITION OF TRANSFER CREDIT

Transfer credit, which fills general education requirements at the institution from which it was transferred, will be recognized to meet the same general education requirements at Brigham Young University.

COLLEGE OF GENERAL STUDIES

The former General College has been redesignated as the College of General Studies. A specific emphasis is being structured within the college to assist students who are uncertain as to their desired major. It is recommended that any student who does not have a firm commitment to a declared major register as an "undeclared major" in the College of General Studies.

Students desiring further information should contact the College of General Studies Advisement Center.

NEW GENERAL EDUCATION CURRICULUM

The general education requirement in biological sciences can be satisfied through a new program entitled Phase Achievement System (PAS), which has been designed to accommodate the specific interests of all students. PAS allows a student to study those biological topics (phases) that are most interesting and important to him and his day-to-day living at his own speed and at whatever time of the year is most convenient. Phases may be completed anytime during the year, and credits are awarded for each phase that has been successfully passed at the end of the term. Phase examinations will be offered every other week and may be repeated as often as necessary to achieve the desired grade. Lectures for the phases are scheduled repeatedly throughout the year to encourage efficient learning. A student may select the grade he will be satisfied with, and he has the freedom to continue working until it is achieved; thus, the chance for failing has been eliminated. Since registration in the traditional manner for the course "Bioscience and Man" is not required, additional material has been prepared and is available at 597 WIDB or it may be obtained by calling Ext. 3417. Students may also write to Clive D. Jorgensen, Department of Zoology, Brigham Young University, Provo, Utah 84601.

SPECIAL EXAMINATION FEES (UNDERGRADUATE)

The following examination fee schedule became effective 1 November 1972:

Examination fee, nonrefundable (whether taken for exemption from taking a required class or for subsequent application for credit).	\$10
Per-credit-hour charge for credit based on a successfully completed examination. (The maximum fee for credit in any one subject will be \$40 in addition to the examination fee. Each examination will be treated independently of any other examination and the charge will apply accordingly.)	\$5

Note:

Special examination forms may be picked up by the student at department chairman's offices, at college advisement centers, or at the Records Office in the Smoot Administration Building. If a student has not previously paid the \$10 examination fee, the Cashier's Office is not authorized to accept money to permit the student to process an application for credit. A teacher who gives an examination prior to payment of the \$10 examination fee will not be given credit for having given the special examination.

EARLY CHILDHOOD EDUCATION STUDENTS

Students who are majoring in Early Childhood Education must apply in advance to take Education 200. Students should pick up their application at the Family Living Advisement Center, 1201 SFLC.

UNIVERSITY STUDIES ASSOCIATE OF ARTS DEGREE PROGRAM

The two-year Associate of Arts program in the College of General Studies is designed to satisfy the needs of those students who will benefit from working toward a definite degree but presently are unable to complete four years.

The two-year program requires courses in English, health, religion, physical education, history, social sciences, and certain courses in occupational skills. All credit earned in general curriculum classes, in addition to the credit from other colleges, can be used to fill general education requirements or can be applied as elective credit in obtaining a four-year degree.

An Associate of Arts degree will be awarded to students who complete 64 hours; 32 of these hours must fill general education requirements of the Associate of Arts degree; 21 hours must be in an academic or technical area of concentration; and 11 hours may be in the elective areas.

Graduate School

All students who have been awarded a bachelor's degree register as graduate students unless they have been admitted to seek a second bachelor's degree. Graduate students are classified as degree-seeking or nondegree. Applications for admission may be obtained from the University Office of Admissions. (Note: Degree-seeking applicants use an application

form different from the one used by nondegree applicants.)

All materials specified in the admission application must be filed in the Office of Admissions for an application to be considered for the respective semesters shown below:

Other Academic Information

HONORS PROGRAM

(See 1972-73 Catalog of Courses, pages 41-42.)

SCHOLARSHIP RECOGNITION

(See 1972-73 Catalog of Courses, page 30.)

REQUIREMENTS FOR GRADUATION

(See 1972-73 Catalog of Courses, pages 23-26.)

COURSE DIVISIONS

Classes are given numbers as follows:

Preparatory and remedial courses	1-99
Lower-division courses	100-299
Upper-division courses	300-499
Courses for graduates or advanced undergraduates	500-599
Graduate courses	600 or above

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

HOME STUDY

Home Study is the University's "portable" program. It allows you to earn credit through correspondence work, on or off campus. There are 290 courses available, representing 45 departments. You may register for courses anytime during the year. For further information and a free catalog of courses, contact the Home Study Office, Room 210 HRCB, or telephone 374-1211, Ext. 2868. Office hours are 8:00 a.m. to 5:00 p.m., Monday through Friday.

PERSONAL DEVELOPMENT PROGRAM

Although the major emphasis at Brigham Young University is on intellectual and spiritual development, the University is also concerned with the personal and social development of its students. With this in mind, a search was made for classes which will assist students with their personal and social development through a practical emphasis on learning by doing. Two types of courses were finally selected. The first are taught by faculty from established academic departments and carry academic credit (these are identified as Personal Development classes in the departmental listings of the class schedule). The second are experiential courses taught by faculty from the Personal Development Center and do not carry credit. These latter classes involve such topics as interpersonal communication, personal and social development, educational and vocational development, and training for lay counselors. For further information contact the Personal Development Center, Stewart House, Ext. 4201, or the Personal Development Program table at Registration.

STUDENT CLASSIFICATION

At the beginning of each semester, students are classified for that semester as follows:

Credit Hours Earned	Classification
0 — 31.9	Freshman
32 — 63.9	Sophomore
64 — 95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

General Education Requirements

GENERAL EDUCATION PROGRAM

A candidate for a bachelor's degree at Brigham Young University must satisfy all of the general education requirements described below.

AREA REQUIREMENT

AMERICAN HISTORY AND GOVERNMENT. The general education requirement in this area may be satisfied by completing one of the following courses or combination of courses: Hist. 170; Hist. 120 and 121; Hist. 121 and Pol. Sci 110. A student can take an examination that will, if passed, satisfy the American history and government requirement. (Check with the University Testing Center, B-280 ASB, for testing dates.)

BIOLOGICAL SCIENCE. A student must complete a minimum of 6 semester hours selected from the following approved courses:

Biological and Agricultural Education:

105	(3)	Agricultural Science and Industry
201	(4)	Introduction to Biology
250	(3)	Environmental Biology
351	(3)	Natural History for Elementary Teachers

Botany: any botany course with a number below 490, except 161, 469 and 480.

General Curriculum: 101 (3) Introduction to Biological Science I.

Honors:

213R (3-5) Biology.

Microbiology: all courses with numbers below 490.

Zoology: all courses with numbers below 490, except 381.

ENGLISH COMPOSITION. Each student must earn 3 semester hours by completing General Curriculum 105 or English 111 or 115 during his freshman year. He must earn an additional 3 hours by taking English 212, 215, or 251 during his sophomore year, or English 316 during his junior year. The student's major department will designate which of the latter courses he should take.

HEALTH. This requirement may be satisfied by completing 2 semester hours of approved course work or by special examination arranged for with the Department of Health Sciences. Health 130 and Nursing 212 are the courses approved to fill the health requirement.

HUMANITIES AND FINE ARTS. A student must complete a minimum of 6 semester hours selected from the following approved courses:

Art: all courses in art history and appreciation and
101 (3) Introduction to Arts
110 (2) Design in Everyday Life

Communications:
101 (2) Introduction to Mass Communication

English: all literature courses.

Humanities and Comparative Literature: all courses.

Music:
101 (3) Introduction to Music
103 (2) Survey of Music Literature
484, 485 (3 ea.) History of Music

Philosophy: all courses, except 101 and 316.

Speech and Dramatic Arts:

101 (3) Speech Communications
102 (2) Introduction to Public Speaking
115 (2) Introduction to the Theatre
121 (3) Voice, Diction, and Interpretation
301 (2) Business and Professional Speaking

PHYSICAL EDUCATION. A minimum of 2 semester hours, selected from any of the Physical Education 100-series courses, will satisfy the physical education requirement. One-half credit hour should be taken each semester in the freshman and sophomore years. Students expecting to complete this requirement with credit for military service or through other University-approved programs should check with the Graduation Office, B-164 ASB.

PHYSICAL SCIENCE. A student must complete a minimum of 6 semester hours selected from the following:

Chemistry: all courses numbered below 500.

Geology: all courses numbered below 500.

Physics: all courses numbered below 500.

Statistics:

221 (3) Principles of Statistics

RELIGION. One religion class is required for each full-time registration (10 semester hours or more) by an undergraduate student at BYU until a total of 14 semester hours in religion has been earned for a bachelor's degree or a total of 8 semester hours for an associate degree. Part-time students must complete one religion class for every 16 hours of BYU credit completed.

Any religion class in the 100 through 400 series may be taken to meet the religion requirement. All undergraduate students must obtain college-level credit for the equivalent of 4 semester hours in Book of Mormon. In computing the 14 semester-hour total requirement, no more than 3 hours of religion credit at BYU or elsewhere will be counted from any one quarter or semester.

Special Situations:

1. **Transfer Credit from LDS Colleges and Institutes.** A student may transfer religion credit to BYU to meet the general education requirement in religion. No more than 3 hours of religion

credit will be counted from any one quarter or semester. A transfer student will be required to complete one religion class per semester at BYU until such time that the transfer religion credit and the BYU religion credit satisfy the 14-semester-hour requirement.

Institute credit will be appraised as follows: Credit will be accepted only if the institute director certifies that the course was taken for institute credit and was in conformance with college standards. If the transfer college credit and the institute credit combined exceed that permitted at BYU, the student must indicate to the Office of Admissions and Records the courses for which he desires to receive credit.

2. **Students Required to Study Off Campus.** If a student is required to study off campus as a part of his degree requirements, he is required to register for religion during that semester through Home Study or a BYU continuing education center.

3. **Bible Credit from Non-LDS Colleges and Universities.** Bible credit from accredited non-LDS universities and colleges will not satisfy the religion requirement. The transfer credit will, however, apply as elective credit toward the total hours required for graduation.

4. **Credit Completed at Centers for Continuing Education.** A student must complete one religion class for every 16 hours of academic credit completed at BYU centers for continuing education.

5. **Requirements for Second Baccalaureate Degree Candidates.** Students who register at BYU for a second baccalaureate degree, after having received a first at another university, are required to take one religion class per semester.

SOCIAL SCIENCE. A minimum of 5 semester hours must be completed from the following approved courses:

Agricultural and Economics: 112 (3) Economics and Agriculture.

Anthropology: all courses.

Archaeology: all courses.

Asian Studies: all courses.

CDFR:

210 (3) Child Development

360 (3) Achieving Success in Marriage

361 (3) Family Relationships

Economics: all courses numbered below 500.

Geography: all courses numbered below 500.

History: all courses numbered below 500.

Political Science: all courses numbered below 500.

Recreational Education:

337 (2) Philosophy of Recreation

Sociology: all courses except 220 and 320.

OTHER REQUIREMENTS

A candidate for the bachelor's degree must also complete one of the two following options:

1. **LANGUAGE.** Twelve semester hours in any foreign language (8 hours beyond the introductory 101 courses).

2. **MATHEMATICS, STATISTICS, LOGIC.** Six semester hours selected from the following:

a. **Mathematics:** College Algebra (Math 105 or above).

b. **Statistics:** any statistics course having a prerequisite of Math 105 or above.

c. **Logic:** any formal course in deductive or inductive logic or in philosophy of science (Phil. 101, 316).

d. **Certain basic courses especially suited to develop the capacity of the student to apply mathematics to scientific problems (must have a math prerequisite of Math 105 or above).** The following BYU courses are accepted:

Bio. Ag. Ed. 201 (4) Introduction to Biology
 Bio. Ag. Ed. 376 (3) General Genetics
 Chemistry 105 (4) General College Chemistry
 Chemistry 111 (3) Principles of Chemistry
 Economics 488 (3) Introduction to Economics
 Geology 311 (3) Structural Geology
 Microbiology 331 (5) Microbiology
 Physics 105 (3) Introduction to Physics
 Psychology 374 (3) Experimental Psychology

- e. Certain courses are peculiarly suited to illustrate the application of formal logic in the development of a discipline or tool area. BYU courses in this category are—

*Computer Sci. 130, 131, 132, 133 (3) Introductory Computing
 Physics 110 (3) The Development of Scientific Thought
 Physics 300 (3) Philosophical Foundations of Modern Physics
 Bio. Ag. Ed. (3) History and Philosophy of Biology

*Only one computer science class may be used in the math, statistics, logic area.

TRANSFER CREDIT EVALUATION

All transfer credit that represents college-level work from accredited institutions will be accepted. Students who transfer to BYU will have their transcripts evaluated by the Transfer Evaluation Office and will be notified in writing of the general education requirements remaining to be completed.

BYU has generally followed a pattern of course-for-course equivalency evaluation, evaluating credits on the basis of BYU general education programs and accepting all transfer credit for courses reasonably equivalent to BYU courses. In this area-by-area evaluation it is important to note that when a student takes a course at another accredited institution that counts in a given education area at that institution, we, in our evaluation for general education credit, allow that course to count in the same area.

The chairman of the student's major department evaluates other transfer credit for classes that may be used to meet major or minor requirements.

POLICY ON HOLDERS OF THE ASSOCIATE DEGREE. The University's policy for a student with an associate degree who transfers to BYU is as follows: If the procedure for earning general education credit at his junior college is similar to that followed by BYU and if the student has fulfilled some requirements in all areas and does not lack more than 5 hours in reaching the BYU total-hour requirements in general education, the student will be admitted to BYU with general education requirements considered completed.

GRADUATION BACHELOR'S DEGREES

CREDIT REQUIREMENTS. A candidate for a bachelor's degree must complete a minimum of 128 semester hours of credit. A student seeking the Bachelor of Science in Engineering degree must complete a total of 135 semester hours of credit.

UPPER-DIVISION REQUIREMENTS. A minimum of 40 semester hours of upper-division credit (classes numbered 300-599) is required for a bachelor's degree.

MAJOR REQUIREMENTS. A student must complete at least 20 semester hours in his major department, 10 of which must be earned on the BYU campus. He must also satisfy any additional departmental requirements.

RESIDENCE REQUIREMENTS. At least 30 semester hours of credit taken in residence at BYU is re-

quired for a bachelor's degree. A maximum of 10 semester hours earned at BYU centers for continuing education may be applied toward this 30-hour requirement. A student must register and be on campus during two semesters—not necessarily consecutive—to satisfy the residence requirement.

SECOND BACHELOR-DEGREE REQUIREMENTS.

A student will qualify for a second bachelor's degree when the following requirements are satisfied: (1) BYU general education requirements, (2) major requirements, (3) minor requirements, (4) residence requirement of 30 additional hours beyond the first bachelor's degree, (5) religion requirements, and (6) all other graduation requirements set forth in the catalog for bachelor's degree candidates.

GENERAL EDUCATION REQUIREMENTS. A candidate for a bachelor's degree must satisfy the following general education requirements:

Area Requirements	Semester Hours Required
American history and government	3
Biological science	6
English composition and literature	6
Health	2
Physical science	6
Physical education	2
Humanities and fine arts	6
*Religion	14
Social science	5

A student must also complete one of the two options described below:

- A. Mathematics, statistics, logic, science 6
 B. Foreign language 8 advanced credit hours

See the section entitled "General Education Program" for detailed information.

*One religion class is required per semester in residence, including summer school. Religion 121 and 122 are required of all students.

GRADE-POINT AVERAGE REQUIREMENT. All degree-seeking students must achieve at least a 2.00 (C) cumulative grade-point average by the beginning of the semester in which they plan to graduate. Transfer students must have at least a 2.00 (C) grade-point average for both their residence credit at BYU and for their total college credit.

CORRESPONDENCE CREDIT. A maximum of 24 semester hours of correspondence credit may be applied toward fulfillment of the 128 semester-hour requirement.

"D" GRADE CREDIT. Not more than 18 semester hours of "D" grade credit may be applied toward completion of the bachelor's degree requirements.

ASSOCIATE DEGREES

Upon completion of an approved two-year curriculum, the Associate of Science degree or the Associate of Arts degree will be awarded at the regular University graduation exercises. Requirements for these degrees include a minimum of 64 semester hours of credit (nursing requires 74 hours), with a composite major of 30 credits or more and the following credits in general education:

	Associate of Science	Associate of Arts
English	6	6
American history	3	3
Health	2	2
Physical education	1	1
*Religion	8	8
Humanities	2	3
Biological science	2	3
Physical science	2	3
Social science	2	3

*One religion class is required per semester in residence, including summer school. Religion 121 and 122 are required of all students.

Exceptions:

1. Engineering students are not required to complete the biological science and social science general education groups.
2. Nursing students are not required to complete the humanities general education group or Health 130.

Of the total of 64 credits, at least 20 must be taken in residence; a total of 12 credits may be taken by correspondence. However, 15 semester hours of work completed on the BYU campus and 5 semester hours taken at a BYU center for continuing education as a matriculated student will satisfy the residence requirement for the two-year program in the Technical Institute. A maximum of 10 "D" credits will be accepted, but both cumulative and BYU grade-point averages of 2.00 or above are required. Students completing one of these programs may, if they desire, continue their work toward a baccalaureate degree.

For specific programs in fields offering associate degrees, see the Technical Institute departmental section.

JUNIOR ENGLISH PROFICIENCY EXAMINATION

Passing the Junior English Proficiency Examination is a graduation requirement that should be met during the junior year, preferably as soon as the student is eligible. Clearance for graduation must be accomplished at least one month prior to graduation. To be eligible for the examination, a student must have completed his freshman English requirements and have at least 64 semester hours of credit.

A grade of B- or better from on-campus classes in English 212, 215, 251, or 316 earned after September 1, 1971, will satisfy the Junior English Proficiency Examination requirement. The intent of this

provision is not to waive the requirement, but to have the student fulfill it by writing several good in-class essays under examination conditions. Failing to do that, the student may not be awarded a grade above C+, regardless of whatever excellence he may otherwise achieve in the class. Such is the importance the University places upon unaided, impromptu writing.

The examination is offered twice each semester on dates announced in the calendar; admission is by appointment card only. Students may obtain the cards—which specify time, place, and other pertinent information—from their own college advisement center and should plan to take the examination early enough so that they are not involved with it near graduation time (junior students always will receive preferential consideration for appointments).

The examination is free at scheduled times but may be taken at other times upon payment of a \$5 fee.

Students who fail the exam should undertake some significant remedial study, either independently with or without a tutor or by registering for English 15, "Remedial English for Juniors," which is offered each block.

The Junior English Proficiency Examination is a standardized test that measures comprehensively the full range of skills involved in good writing and effective, appropriate expression. In one section of the test the student is asked to deal with weaknesses in a composition. From a list of four choices, he selects the revision which best solves the writing problem. In another section of the test the student is asked to write a theme on a topic supplied by the examiner. The theme tests the student's ability to limit, organize, and develop a topic, and to use the language competently. The test dates are as follows:

January 20 March 10 May 12 July 7

CODING INSTRUCTIONS

The left hand portion of this card will be processed by the IBM 1287 scanning computer. In order for your numbers to be understood, they must be printed exactly like the sample numbers on the top of the page. For example, if the 6, 8, 9, or 0 are not completely closed (i.e. 6, 8, 9, 0) they will not record properly. If the 2 or 3 have loops in them (i.e. 2, 3), if the 4 is made with a closed top (i.e. 4), or if the 7 is not made with just two straight lines (i.e. 7, 7), the number will not be properly recorded. Please make your numbers large but *completely within* the blue borders.

Class index numbers are listed next to each section of each class in the schedule. Do not leave spaces or put dashes between the digits of your social security number. Please be absolutely certain that all your numbers are correct. Thank you.

PRIORITY

***Priority Explanation:** List your classes in order of importance to your schedule this semester.

INSTRUCTIONS: (BE SURE TO REFER TO CODING INSTRUCTIONS ON THE BACK OF THIS CARD) Please use a #2 lead pencil. This card must be completed before you come to registration. You must turn in the left hand portion to receive a packet. Be sure to list classes in order of

importance to you. Please print clearly and press firmly, **NOTE:** If necessary, freshmen can obtain advisement at registration, but this will require an extra 15-30 minutes before being able to pull class cards. **FRESHMEN SHOULD SEE ADVISER BEFORE COMING TO REGISTRATION.**

Adviser's Signature (Freshmen only)

Spring Term

Registration Schedule

Graduate — Senior

THURSDAY, APRIL 26, 1973

All graduate students and seniors (96 semester credit hours through graduation) will register in the following order:

A.M.	A.M.	A.M.	A.M.
8:00 Kohk thru Marb	9:15 Sinh thru Tann	10:30 Bulm thru Cond	11:45 Jacl thru Kohj
8:15 Marc thru Mumf	9:30 Tano thru Waug	10:45 Cone thru Earl	P.M.
8:30 Mumg thru Pear	9:45 Wauh thru Zzzz	11:00 Earm thru Gess	4:00 All seniors and
8:45 Peas thru Rich	10:00 Aaaa thru Bean	11:15 Gest thru Harv	graduate late-
9:00 Rici thru Sing	10:15 Beao thru Bull	11:30 Harw thru Jack	comers

THURSDAY, APRIL 26, 1973

All freshmen, sophomores, and juniors (0 semester credit hours through 95.9) will register in the following order:

Freshmen — Sophomores — Juniors

P.M.	P.M.	P.M.	P.M.
1:00 Kohk thru Leea	1:45 Maym thru Migu	2:30 Nobm thru Palm	3:15 Punb thru Rich
1:15 Leeb thru Lund	2:00 Migv thru Mund	2:45 Paln thru Pete	3:30 Rici thru Rusc
1:30 Lune thru Mayn	2:15 Mune thru Nobl	3:00 Petf thru Puna	3:45 Rusd thru Shaw

FRIDAY, APRIL 27, 1973

A.M.	A.M.	P.M.	P.M.
8:00 Shax thru Smit	10:00 Aaaa thru Andr	1:00 Coxb thru Deaa	2:45 Harw thru Hill
8:15 Smiu thru Step	10:15 Ands thru Barl	1:15 Debb thru Earl	3:00 Hilm thru Hull
8:30 Steq thru Tann	10:30 Barm thru Berk	1:30 Earm thru Fast	3:15 Hulm thru Jens
8:45 Tano thru Took	10:45 Berl thru Bowm	1:45 Fasu thru Full	3:30 Jent thru Jone
9:00 Tool thru Walk	11:00 Bown thru Bull	2:00 Fulm thru Goro	3:45 Jonf thru Kohj
9:15 Wall thru Whit	11:15 Bulm thru Cars	2:15 Gorp thru Hall	4:00 All latecomers
9:30 Whiu thru Wint	11:30 Cart thru Clar	2:30 Halm thru Harv	Aaaa thru Zzzz
9:45 Winu thru Zzzz	11:45 Clas thru Coxa		

CLASS PERIODS

7:00 to 7:50 a.m.	12:10 to 1:00 p.m.
8:00 to 8:50 a.m.	1:10 to 2:00 p.m.
9:00 to 9:50 a.m.	2:10 to 3:00 p.m.
10:00 to 10:50 a.m.	3:10 to 4:00 p.m.
11:10 to 12:00 noon	4:10 to 5:00 p.m.

Spring Term Tuition And Fees

The largest private school in the nation, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. Approximately 70 percent of the cost of operating the University is paid from the tithes of Church members. Because of this, students who are Church members or their families already have made a monetary contribution to the operation of the University. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

All students who register will be expected to pay tuition and fees prior to or at the time of registration. Students are responsible to pay the correct amount of tuition and fees. The University reserves the right to change these figures without notice.

The tuition assessed varies according to the number of hours registered for:

Spring Term	LDS Church	
	Members	Nonmembers
Part-time:		
1 credit hour	\$ 35.00	\$ 50.00
2 credit hours	60.00	90.00
3 credit hours	85.00	130.00
4 credit hours	110.00	170.00
Full-time:		
Over 4 credit hours	150.00	225.00

Note: An additional \$3 per credit hour is assessed for evening class hours (Section 90 and above) taken by a day school student.

A fraction of an hour is counted as a full hour in assessing fees.

The charge for noncredit courses or for auditing courses is the same as for taking them for credit.

Noncredit courses taken by part-time students are assessed on the basis of the number of hours involved in lecture classes. For example, 3 hours of lecture a week would be considered 3 semester hours and would be charged for accordingly. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees will be charged based on hours being carried during the semester, as determined by the supervising professor.

If a student takes a noncredit class, it can change his status from part time to full time. A student taking 3 credit hours plus a noncredit class involving 2 or more lecture hours per week would be considered a full-time student.

Part-time students are not eligible to purchase health insurance. They are also not entitled to health service, student activity privileges, or physical education suit and facility privileges. All part-time students enrolled in one or more of certain physical education classes must pay an additional \$5. Students should check with the Cashier's Office for applicable classes.

After initial registration, a student who increases the number of credit hours must pay for these additional hours on the day they are added. If he does not, a late fee will be assessed.

LATE REGISTRATION FEE

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates. (NO EXCEPTION IS MADE REGARDLESS OF REASON FOR BEING LATE.)

1. First two regular school days following the scheduled registration date\$ 2.50

2. After the second day following the scheduled registration date\$ 5.00

Any student whose check is dishonored by his bank will be charged a handling fee of \$5. If the check was for tuition, there will be an additional charge of the late fee in effect at the time the check is redeemed.

WITHDRAWAL REFUNDS

Students who decide to discontinue school should notify the Office of the Dean of Students immediately. Any delay in notification or in turning in the activity card or fee receipt may reduce the amount of the tuition refund.

Refunds will be made based on the date of withdrawal as follows:

Date of withdrawal	Tuition Refunded
May 2 through May 8	100% less \$10
May 9 through May 18	75%
May 19 through May 25	50%
May 26 through June 1	25%
After June 1	no refund

Late fees are not refundable.

Refund checks will be mailed from the Treasurer's Office to the student approximately three weeks from the date on which the student reported his withdrawal and surrendered his activity card or fee receipt to the Office of the Dean of Students.

No refund will be granted to a student who is requested to withdraw from the University for scholarship or other causes.

CLASS FEES

(Late fee of \$2.50 added on all classes after May 8, 1973)

EDUCATION

Education 468—4 credit hours	\$25.00
Education 468—2 credit hours	15.00

FAMILY ECONOMICS AND HOME MANAGEMENT 370

Resident students	\$70.00
Married nonresident students	40.00

(All resident students must pay a \$25.00 nonrefundable deposit prior to registration, the balance of the fee to be paid at the time of registration.)

AGRONOMY AND HORTICULTURE

Horticulture 112 (floral design)	\$10.00
--	---------

MUSIC

Classes	
Music 105R, 107, 108 (piano)	\$ 5.00
Music 368, 370, 372 (woodwind, brass and string workshops)	5.00

Private Lessons	
Music 159R (30-minute lessons)	\$55.00
Music 160R, 360R, 660R (45 minute lessons)	75.00
Solo or joint recital fee	35.00

Rentals

Organ rental, one hour each day, per term	\$ 5.00
Each additional hour each day, per term	4.00
Harpichord, clavichord rental, one hour each day per term	5.00
Each additional hour each day, per term	4.00
Harp rental, one hour each day, per term	5.00
Each additional hour each day, per term	4.00
Piano rental, one hour each day, per term	4.00
Each additional hour each day, per term	3.00
Practice room without piano, one hour per day per term	2.50
Each additional hour each day, per term	1.50

PHYSICAL EDUCATION

Physical Education 128 (bowling)	\$10.00
--	---------

ROTC LEADERSHIP LABORATORIES

(Army for one term)	\$ 7.00
---------------------------	---------

SPEECH AND DRAMATIC ARTS

Speech and Dramatic Arts 485, 486, 487 if not currently enrolled in Education 449	\$25.00
--	---------

SPECIAL FEES

ACTIVITY CARDS

Duplicate Card Fee	\$ 4.00
Identification Photo Fee	\$ 2.00
Spouse Activity Card (nonrefundable)	\$ 5.00

AUTOMOBILE REGISTRATION AND PARKING FEE

Spring Term (Auto registration is man- datory, but there is no charge if a student does not park on campus.)	
Zone B (Spring and Summer Terms)	\$ 6.00
Zone B (Summer Term Only)	3.00
Zone C & D (Spring and Summer Terms)	3.00
Zone C & D (Summer Term Only)	1.50

BICYCLE REGISTRATION (permanent regis- tration)

	\$ 1.00
--	---------

CHANGE-IN-REGISTRATION FEE

(for each change slip after January 19 1973.)	\$ 5.00
--	---------

CHEMISTRY (each laboratory class deposit)

	\$10.00
--	---------

DEPOSITS (payable at department locations)

Chemistry (each laboratory class)	\$10.00
Industrial Education	\$ 1.00
Physical Education Locker Fee (nonrefundable)	\$ 1.00

GRADUATION

Graduation Fee, Bachelor's Degree (only 50 percent refundable if degree is not obtained)	\$12.00
--	---------

Deadline: Jan 15 for April Graduation
May 15 for August Graduation

Graduation Fee, Master's Degree or Doctor's Degree (only 50 percent refundable if degree is not obtained)	\$20.00
---	---------

Graduate Student Service Fee (for graduate
students using University facilities with-
out formal registration for University
classes per semester Minimum Tuition

INCOMPLETE GRADES

A student must complete an incomplete
course within one year from the date
the incomplete grade was given. Fee to
be paid to remove incomplete and re-
cord permanent grade (Pay at Records
Office)

	\$ 3.00
--	---------

LATE REGISTRATION

Late registration fees will be assessed all
full-time and part-time students for
failure to complete registration on
scheduled dates. (NO EXCEPTION IS
MADE REGARDLESS OF THE REASON
FOR BEING LATE.)

CODING INSTRUCTIONS

ENCODING INSTRUCTIONS

The left hand portion of this card will be processed by the IBM 1287 scanning computer. In order for your numbers to be understood, they must be printed exactly like the sample numbers on the top of the page. For example, if the 6, 8, 9, or 0 are not completely closed (i.e. 6, 8, 9, 0) they will not record properly. If the 2 or 3 have loops in them (i.e. 2, 3), if the 4 is made with a closed top (i.e. 4), or if the 7 is not made with just two straight lines (i.e. 7, 7), the number will not be properly recorded. Please make your numbers large but *completely within* the blue borders.

Class index numbers are listed next to each section of each class in the schedule. Do not leave spaces or put dashes between the digits of your social security number. Please be *absolutely certain that all your numbers are correct*. Thank you.

Registration Schedule

GRADUATE - SENIOR

All graduate students and seniors (96 semester credit hours through graduation) will register in the following order:

Thursday, August 30, 1973.

AM

8:00 Plau thru Rich
8:15 Rici thru Scot
8:30 Scou thru Sore
8:45 Sorf thru Tann
9:00 Tano thru Vath
9:15 Vati thru Wild
9:30 Wile thru Zzzz
9:45 Aaaa thru Bair

10:00 Bais thru Bird
10:15 Bire thru Bull
10:30 Bulm thru Chri
10:45 Ohrj thru Crox
11:00 Croy thru Earl
11:15 Earm thru Fowl
11:30 Fowm thru Gree
11:45 Gref thru Harv

PM

1:00 Harw thru Horg
1:15 Horr thru John
1:30 Joho thru Kohl
1:45 Kolm thru Long
2:00 Lonh thru Mcfa
2:15 Mcfb thru Mund

2:30 Mune thru Osgu
2:45 Osgv thru Plat
4:00 All graduate and Senior latecomers. Aaaa thru Zzzz.

SOPHOMORE - JUNIOR

All sophomores and juniors (32 through 95.9 semester credit hours inclusive will register in the following order:

Thursday, August 30, 1973

3:00 Peas thru Pres

3:15 Pret thru Rich

3:30 Rici thru Sand

3:45 Sane thru Sing

Friday, August 31, 1973

AM

8:00 Sinh thru Stak
8:15 Stal thru Tann
8:30 Tano thru Tule
8:45 Tulf thru Waug
9:00 Wauh thru Will
9:15 Wilm thru Zzzz
9:30 Aaaa thru Asay
9:45 Asaz thru Bean

10:00 Beao thru Bodi
10:15 Bodj thru Bull
10:30 Bulm thru Cham
10:45 Chan thru Cond
11:00 Cone thru Davi
11:15 Davj thru Earl
11:30 Earm thru Finl
11:45 Finm thru Gess

PM

1:00 Gest thru Hadf
1:15 Hadg thru Harv
1:30 Harw thru Hodf
1:45 Hodg thru Jack
2:00 Jacl thru John
2:15 Joho thru Kohk
2:30 Kohl thru Lewi

2:45 Lewj thru Marb
3:00 Marc thru Melb
3:15 Melc thru Mumf
3:30 Mumg thru Ocke
3:45 Ockf thru Pear
4:00 All Sophomore and Junior latecomers Aaaa thru Zzzz

FRESHMEN

All freshmen (0 through 31.9 semester credit hours inclusive) will register in the following order:

Saturday, September 1, 1973

AM

8:00 Part thru Ques
8:15 Quet thru Rowa
8:30 Rowb thru Smit
8:45 Smiu thru Stro
9:00 Strp thru Turn
9:15 Turo thru Whit
9:30 Whiu thru Zzzz
9:45 Aaaa thru Ball

10:00 Balm thru Blay
10:15 Blaz thru Cald
10:30 Cale thru Cluf
10:45 Clug thru Deed
11:00 Deee thru Farm
11:15 Farn thru Gled
11:30 Glee thru Hard
11:45 Hare thru Hola

PM

1:00 Holb thru Hunt
1:15 Hunu thru Jeps
1:30 Jept thru Jost
1:45 Josu thru Koff
2:00 Kofg thru Leee
2:15 Leef thru Lowa
2:30 Lowb thru Mart
2:45 Maru thru Meta

PM

3:00 Metb thru Mood
3:15 Mooe thru Nels
3:30 Nelt thru Olso
3:45 Olsp thru Pars
4:00 All latecomers (Freshmen, sophomores, Juniors, Seniors and Graduates) Aaaa thru Zzzz

Registration For Faculty And Staff

FULL-TIME FACULTY AND ADMINISTRATIVE PERSONNEL

Full-time teaching faculty may register for courses of study up to six hours per semester and will not be required to pay the regular cost of tuition, except that a maximum of five hours of credit will be permitted during the daytime hours.**

Continuing faculty members **not** teaching during the Spring or Summer terms may take any amount of credit hours and will not be required to pay the regular cost of tuition during the term they are not teaching. Faculty members teaching during Spring or Summer terms may take a limit of three credit hours per term. A new faculty member may not take classwork during the Spring or Summer Term before he begins his school year teaching assignment.

The SPOUSE of a full-time teaching faculty member may register for courses of study with no limit as to the number of hours day or night and will not be required to pay the regular cost of the tuition.**

FULL-TIME REGULAR STAFF

Full-time regular staff may register for courses of study up to six credit hours per semester and will not be required to pay the regular cost of tuition for the first five credit hours. The additional hour must be paid for by the employee. Courses may not be taken during regular working hours. Lunch hours, no matter when scheduled, may not be used for class attendance. During Spring or Summer terms, staff members may take a limit of three credit hours per term.**

After the staff employee has completed five years of continuous employment as a full-time regular staff member, his or her SPOUSE may register for courses

without restriction as to time or number of credit hours day or night.**

PART-TIME FACULTY

Part-time faculty members (not graduate assistants) may enroll in classes for the number of credit hours up to the number of hours they teach, not to exceed five hours per semester (three hours per Spring or Summer term), and will not be required to pay the regular cost of tuition for the first five credit hours or less. Part-time faculty members will need to pay for any additional hours they wish to take.**

PART-TIME STAFF

All part-time staff members must pay the regular cost of tuition and fees for registration in courses.

EMPLOYEE TUITION CARDS

Cards indicating eligibility for evening school only, may be obtained at the Benefits Office, C-40 ASB. If an individual is registering for daytime **plus** evening classes, tuition authorization is obtainable from the Benefits Office table in the Richards PE Building during registration.

**SPECIAL NOTE

Faculty members, administrative personnel, staff members, eligible spouses, and part-time faculty who wish to register for daytime classes must be properly admitted through the Admissions Office.

Applications for approval for employees to take daytime classes (7 a.m. - 5 p.m.) may be obtained at the Benefits Office, C-40 ASB, **PRIOR** to registration.

Academic Standards

To graduate from BYU, a student must have earned a 2.0 cumulative grade-point average on both his total college and BYU work. Academic standards regulating continuing student progress are consistent with the graduation requirements.

Students at any class level with a cumulative grade-point average of 2.0 or above will be considered in good academic standing. (Academic standing is determined by the cumulative grade-point average of credits earned at BYU.)

Academic Warning will be given if the semester grade-point average is below 2.0, even though the cumulative is at or above 2.0.

Academic Probation will be enforced when the cumulative grade-point average falls below 2.0.

Academic Suspension may result from a student's failure to bring his or her cumulative grade-point average up to 2.0 or above during the semester in which he or she is on academic probation. A student

who has failed to achieve a 2.0 cumulative grade-point average during a probationary semester, and has not been suspended, can always attend Spring and Summer terms.

Readmission will be available to any students previously suspended for academic reasons who bring their cumulative grade-point average to at least 2.0 by such means as approved attendance at Spring and/or Summer terms or satisfactory completion of Home Study work. (Individual programs leading to reinstatement may be developed by arrangement with the Academic Standards Office.)

GRADE-POINT VALUES

A	4.0	B-	2.7	D+	1.4	UW	.0
A-	3.7	C+	2.4	D	1.0	WE	.0

Calendar For 1973 - 1974

FALL SEMESTER

April 30 (Monday): Final date for new freshmen to submit application for Fall Semester, 1973
July 15 (Sunday): Final date for new transfer students, former BYU students, and graduate students to submit applications for Fall Semester, 1973
August 27, 28, 29 (Monday, Tuesday, Wednesday): Preschool Faculty Conference
August 30: New-student orientation
August 30, 31, September 1 (Thursday, Friday, Saturday): Registration
September 3 (Monday): Labor Day holiday
September 4 (Tuesday): Class instruction begins
September 6 (Thursday): First day changes in registration are permitted
September 14 (Friday): Last day for submitting applications for Fall Semester graduation clearance
September 17 (Monday): Last day on which late registration may occur for Fall Semester and on which classes may be added
September 18 (Tuesday): Fee in effect for dropping classes
September 29 (Saturday): Final day for midsemester applications to be submitted
October 12 (Friday): Last day to drop first-block classes
October 19 (Friday): Midsemester registration
October 22 (Monday): Classes begin for midsemester
October 26 (Friday): Last day on which a student may officially drop a class for reasons other than nonacademic emergencies
November 22, 23 (Thursday, Friday): Thanksgiving holiday
November 30 (Friday): Last day on which a student may officially withdraw from the University or drop a class for any reason
December 13, 14 (Thursday, Friday): End of formal class period for Fall Semester
December 15, 17, 18, 19, 20, 21 (Saturday, Monday, Tuesday, Wednesday, Thursday, Friday): Fall Semester final examination period

WINTER SEMESTER, 1974

December 1 (Saturday): Final date for submitting applications for admission or readmission for Winter Semester, 1974
January 3 (Thursday): New-student orientation
January 3, 4, 5 (Thursday, Friday, Saturday): Registration for all students
January 7 (Monday): Class instruction begins
January 9 (Wednesday): First day changes in registration are permitted
January 14 (Monday): Last day for submitting applications for Winter Semester graduation clearance
January 18 (Friday): Last day on which late registration may occur for Spring Semester and on which classes may be added
January 21 (Monday): Fee in effect for dropping classes
January 31 (Thursday): Final date for midsemester applications to be submitted
February 15 (Friday): Last day to drop first-block classes
February 22 (Friday): Midsemester registration
March 1 (Friday): Last day on which a student may officially drop a class for reasons other than non-academic emergencies

March 15 (Friday): Deadline for all special credit (e.g., Home Study) to be submitted to Records Office for graduation clearance
March 29 (Friday): Last day on which a student may officially withdraw from the University or drop a class for any reason
April 10, 11 (Wednesday, Thursday): End of formal class period for Winter Semester, 1974
April 12, 13, 15, 16, 17, 18, (Friday, Saturday, Monday, Tuesday, Wednesday, Thursday): Winter Semester final examination period.
April 19 (Friday): Commencement exercises and college convocations

SPRING TERM, 1974

March 20 (Wednesday): Final date for submitting applications for admission or readmission for Spring Term
April 25, 26 (Thursday, Friday): Registration for all students
April 29 (Monday): Class instruction begins
May 1 (Wednesday): First day changes in registration are permitted
May 7 (Tuesday): Last day on which registration may occur for Spring Term and on which classes may be added
May 8 (Wednesday): Fee in effect for dropping classes
May 17 (Friday): Deadline for submitting applications for August graduation
May 27 (Monday): Memorial Day holiday
May 29 (Wednesday): Last day on which a student may officially withdraw from the University or nonacademic emergencies
June 12 (Wednesday): Last day on which a student may officially withdraw from the University or drop a class for any reason
June 19, 20 (Wednesday, Thursday): End of classes and examinations for Spring Term

SUMMER TERM, 1974

May 30 (Thursday): Final date for submitting applications for admission or readmission for Summer Term, 1974
June 21, 22 (Friday, Saturday): Registration for all students
June 24 (Monday): Class instruction begins
June 26 (Wednesday): First day changes in registration are permitted
July 2 (Tuesday): Last day on which late registration may occur for Summer Term and on which classes may be added
July 3 (Wednesday): Fee in effect for dropping classes
July 4 (Thursday): National holiday
July 23 (Tuesday): Last day on which a student may drop classes for reasons other than nonacademic emergencies
July 24 (Wednesday): Holiday
August 7 (Wednesday): Last day on which a student may officially withdraw from the University or drop classes for any reason
August 14, 15 (Wednesday, Thursday): End of classes and examinations for Summer Term
August 16 (Friday): Commencement exercises and college convocations
August 26 (Monday) 1974-75 activities begin

Academic Regulations

HOW TO REGISTER

Fifteen minutes before their scheduled registration times, students should report to the main entrance of the Richards Building. Here they will receive written instructions outlining the registration procedure. Each student should bring a completed Trial Registration Card with him. Freshmen must have the card signed by their advisers.

WHERE TO PAY FEES

All fees listed in this class schedule are to be paid at the cashier's area during registration unless otherwise noted. After registration, fees should be paid in D-155 ASB.

LATE REGISTRATION PENALTY

Students who fail to register on the regular registration dates must pay a late registration fee. If a student registers during the first two regular school days after scheduled registration, the fee is \$2.50. After the first two days the fee is \$5. The penalty rate for part-time students is one-half that charged to full-time students. A fraction of an hour is counted as a full hour for assessing fees.

ADMISSION OF EVENING CLASS STUDENTS TO DAY SCHOOL

Students who are attending evening classes only and wish to transfer to day school and take daytime classes must submit application for admission to BYU prior to the established deadline dates for the semester they wish to attend. Application for admission may be obtained from the Office of Admissions, A-153 ASB.

ADMISSION TO CLASS

Students whose names are on the class roll are officially registered. If a student's name is not on the roll, he should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes three days after the completion of regular registration. Another roll is sent out during the third week which includes the names of all students registered for that class.

BLOCK-PLAN CLASSES

Any student desiring to register for a block-plan class must do so during his original registration at the start of the semester. This holds true whether or not the class is taught during the first or second half of the semester. No block-plan class may be added after Monday, September 17, 1973.

DROPPING AND ADDING CLASSES FOR FALL TERM ONLY

The key to reducing changes in registration is filling out the initial registration carefully.

If a student must make a change in registration, the change must be approved by the instructors involved. No changes in the initial registration may be made until Thursday, September 6, 1973.

Students are permitted to drop or add classes Thursday, September 6, 1973 through Monday, September 17, 1973, of their instructor(s) agrees that the change is advisable. In exceptional cases, students may withdraw from classes until October 26, 1973.

If a student withdraws from a class in which he is doing passing work, his permanent record will carry a "W." If a student is failing, his permanent record will carry a "WE." This is considered the same as an "E" in calculating a grade-point average.

If a student intends to change his registration he must follow four steps:

1. Obtain Change of Registration.
2. GET THE CONSENT AND SIGNATURES OF THE INSTRUCTORS INVOLVED.
3. PAY A \$5 FEE TO THE UNIVERSITY CASHIER. This is necessary if the change is made September 18 or anytime thereafter. Classes may not be added after Monday, September 17.

4. TAKE THE CHANGE-IN-REGISTRATION CARD TO REGISTRATION PERSONNEL, B-130 ASB.

Late registration ends Monday, September 17, 1973. No student may register after that date.

If a student wishes to completely withdraw from school, he must clear through the office of the Dean of Student Life.

EVENING CLASSES

Daytime Students taking evening classes (section 90 and above) must register for the classes at the same time they register for day classes in the Richards Building.

Those who register for evening classes only should register by mail before August 22, or register in the Smith Family Living Center multipurpose area on August 30 or 31 from 11:00 a.m. to 7:00 p.m.

Faculty and staff members who register for evening classes only must register by mail before Wednesday, August 22.

LIMITATIONS OF CREDIT IN ONE SEMESTER

Undergraduate students in good standing may register for as many as 18 (Freshman 17) hours of credit in any one semester by following the regular registration procedure. The dean of a college may authorize a student who has academic ability of high quality to register for a maximum of 18 hours for the first semester in residence and a maximum of 19 hours for any succeeding semester. Any student who has completed 15 or more hours of college work and who has a cumulative grade-point average of 3.5 (or 3.5 average in the semester previous to registration) may register, with the consent of his dean, for 21 hours. Auditing of classes, registration for home study, or registering for evening classes or off-campus courses constitute a part of the student's total registration. Exceptions to these rules should be presented to the dean of Admissions and Records by the dean of the college concerned.

MAJOR REQUIREMENTS

A student must complete at least 20 semester hours in his major department and must satisfy any additional departmental requirements. A minimum of 10 semester hours must be earned on campus at BYU.

CHANGING COLLEGE OR MAJOR

A student who desires to transfer from one major to another, or from one college to another, may do so. However, he must clear this change through the deans of the colleges involved. Official change-of-major cards may be obtained from the office of the dean of the college in which the student is presently enrolled. After being properly signed, these cards must be turned in to the office of the dean of the student's new college one month prior to the next semester's registration.

WITHDRAWAL FROM BYU

No undergraduate student is officially withdrawn from the University unless he has obtained and completed the discontinuance form from the Office of the Dean of Student Life.

If the student finds it necessary to totally discontinue all classes he must:

1. Obtain discontinuance forms from the Discontinuance Office, B-234 ASB, phone 2723.
2. Obtain necessary signatures (explained on form).
3. Relinquish University activity card.
4. Have a personal interview and be signed out by a member of the Dean of Student Life staff.

Graduate School students and students enrolled only in Evening School classes will withdraw through those offices.

Students withdrawing before October 26, 1973 are not held responsible for course grades and a "W" will be entered on their transcript for each course. Grade reports for each class (Passing or Fail-

ing) will be required for withdrawals after the above date. A "W" will be entered on the transcript for passing work and a "WE" where failing work is indicated.

REPEATING CLASSES

Students can repeat classes at BYU. This can be done in three ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from BYU department chairman.
3. Repeat at other institutions classes taken at the same institution—and then have the credit transferred to BYU.
4. Repeat at BYU through Home Study.

When a student repeats a class, the grade used to figure the student's grade-point average is the grade earned the last time the repeated class was taken. The student must notify the Records Office, B-150 ASB, that the class has been repeated during the next semester after the class is repeated.

INCOMPLETE GRADES

The letter "I" (incomplete) is used to indicate that work is not yet completed. It is given only when special prior arrangements for the completion of the

specific work involved have been made between the teacher and the student. The "I" never is given when a student has failed or is failing the course. An "I" is regarded as a neutral grade for a period of one year, following which it will be changed to an "E" and calculated as such in the grade-point average. An authorization for Change of Incomplete form must be properly completed and submitted to the Records Office, B-150 ASB, within one year from the date the incomplete is given.

CLASS ATTENDANCE POLICY

BYU feels it is important that students attend classes for which they are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only where the student is away representing the University on official business. All officially excused absences must be approved through the Office of the Dean of Student Life.

Faculty should tell students what relationship attendance has to their final grade for the course. The student must take the responsibility for his actions. It is not necessary for the instructor to report absences to the Office of the Dean of Student Life unless he has knowledge of an accident or illness which is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is the responsibility of the student.

Tuition And Fees

The largest private school in the nation, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. Approximately 70 percent of the cost of operating the University is paid from the tithes of Church members. Because of this, students who are Church members or their families already have made a monetary contribution to the operation of the University. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

All students who register will be expected to pay tuition and fees prior to or at the time of registration. Students are responsible to pay the correct amount of tuition and fees. The University reserves the right to change these figures without notice.

In computing tuition, both undergraduate students and graduate students are considered full-time if enrollment is for over 8 credit hours. (Including audit and noncredit courses.)

TUITION AND GENERAL FEES

Undergraduate Students	Fall	Semester
	L.D.S. Member	Non-Member
Full-time		
(Over 8 credit hours)	\$300.00	\$450.00
Part-time	\$ 10.00	\$ 15.00
	Plus \$30	Plus \$45
	per hour	per hour
Graduate School Students		
Law School Students.....	\$525.00	\$787.00
MBA, MPA, and Master of Accountancy Students:		
Full-time		
(Over 8 credit hours)	\$400.00	\$600.00
Part-time	\$ 20.00	\$ 30.00
	Plus \$40	Plus \$60
	per hour	per hour
Other Graduate School Students		
Full-time		
(Over 8 credit hours)	*\$300.00	*\$450.00
Part-time	\$ 10.00	\$ 15.00
	Plus \$30	Plus \$45
	per hour	per hour
*Nonrefundable Overload Fee	\$ 15.00	\$ 15.00
	per hour	per hour
	over	over
	16 hours	16 hours

A fraction of an hour is counted as a full hour in assessing fees. The charge for noncredit courses or for auditing courses is the same as for taking them for credit.

Noncredit courses are assessed on the basis of the number of hours involved in lecture classes. For example, 3 hours of lecture a week would be considered 3 semester hours and would be assessed accordingly. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees will be charged based on hours being carried during the semester, as determined by the supervising professor.

If a student takes a noncredit class, it can change his status from part-time to full-time. A student taking 7 credit hours plus a noncredit class involving 2 or more lecture hours per week would be considered a full-time student.

Part-time students are not eligible to purchase health insurance. They are also not entitled to health service, student activity privileges, or physical education suit and facility privileges. All part-time students enrolled in one or more of certain physical education classes must pay an additional \$5. Students should check with the Cashier's Office for applicable classes.

ASSESSMENT ADJUSTMENT

After initial registration, a part-time student who increases the number of credit hours must pay for these additional hours on the day they are added. If he/she does not, a late fee will be assessed.

A full-time student dropping to part-time or a part-time student who decreases credit hours will be entitled to a tuition refund. A refund request must be initiated by the student through the Registration Office. The activity card must be surrendered at this time. A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last day for adding classes. Refunds for courses dropped after that date will be subject to a 3 percent per day charge. This charge will be for the number of school days between the registration date and the drop date, and the rate is 3 percent of the difference between the original assessment and the adjusted assessment.

LATE REGISTRATION FEE

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates. (NO EXCEPTION IS MADE REGARDLESS OF REASON FOR BEING LATE.)

1. First five regular school days following the scheduled registration date \$ 5.00
2. After the fifth day following the scheduled registration date \$10.00

Late fees for part-time students will be assessed at 50% of the above rate.

Any student whose check is dishonored by the bank will be charged a handling fee of \$5. If the check was for tuition, there will be an additional charge of the late fee in effect at the time the check is redeemed.

WITHDRAWAL REFUNDS

If a student withdraws from school, a refund will be made minus a charge of \$10 (\$5 for a part-time student). This withdrawal fee is assessed even though the student does not complete registration or attend school. In addition, there is a per-day charge of 3 percent of the total tuition and fees paid or payable for the semester. Students will be charged for the first day of the semester in which classes were held following the date they registered, to the day on which they report their withdrawal to the Office of the Dean of Student Life.

Late fees are not refundable.

Any refund due a student because of withdrawal from school will be made only by check, through the mail. It will be mailed approximately three weeks from the date on which the student reported his withdrawal and surrendered his receipt or activity card to the Dean of Student Life's Office.

No refund will be granted to a student who is requested to withdraw for scholarship or other causes.

CLASS FEES

(Late fee of \$2.50 added on all payments for first- and second-block classes after September 17, 1973)

AGRONOMY AND HORTICULTURE

AgHrt 112 (floral design) \$10.00

BUSINESS MANAGEMENT

Business Management 380 and 381 \$ 5.00

EDUCATION

Education 400, 449, 479—
8 to 10 credit hours* \$45.00

Education 400, 449, 479—
4 credit hours* 25.00

Education 400, 449, 479—
2 credit hours* 15.00

Education 475, 476—variable hours* 45.00

*For teacher education fees, all students must pay a \$10.00 nonrefundable deposit with application; the balance of the fee is to be paid at the time of registration. An additional \$10.00 late fee is assessed if application is completed after March 31 for Fall Semester and October 15 for Spring Semester. The \$10.00 late fee is not refundable under any circumstances.

Education 468R, 673R—4 credit hours \$25.00

Education 468R, 673R—2 credit hours 15.00

FAMILY ECONOMICS AND HOME MANAGEMENT

Resident students for one-half semester* \$85.00

Married nonresident students for one-half semester 8.00

*All resident students must pay a \$25.00 nonrefundable deposit prior to registration, the balance of the fee to be paid at the time of registration.

MUSIC

Music 105R, 107, 108 (piano) \$ 5.00

Music 106 (group organ instruction) 10.00

Music 368, 370 (woodwind, brass and string workshops) 5.00

Music 159R (30-minute lessons) 55.00

Music 160R, 360R, 660R (45 minute lessons) 75.00

Private music instruction fee refund application made at C-550 HFAC.

PHYSICAL EDUCATION

Physical Education 128 (bowling) \$10.00

Physical Education 165 (scuba diving) 10.00

Physical Education 195, 196 (skiing) (nonrefundable) 15.00

RECREATION EDUCATION

Recreation Education 502R (camping) \$10.00

ROTC LEADERSHIP LABORATORIES

(Air Force and Army) \$14.00

SPEECH AND DRAMATIC ARTS

Speech and Dramatic Arts 485, 486, 487 if not currently enrolled in Education 449.. \$25.00

STUDENT TEACHING

Student Teaching 479 of each department is the same see as Education 479 (see Education fees).

SPECIAL FEES

ACTIVITY CARDS

Duplicate Card Fee \$ 4.00

Identification Photo Fee 2.00

Spouse Activity Card (nonrefundable) 5.00

AUTOMOBILE REGISTRATION AND PARKING FEE

Fall and Winter Semesters. (Auto registration is mandatory but there is no charge if a student does not park on campus)

Zone B Parking \$12.00

Zone C Parking 6.00

Zone D Parking 6.00

BICYCLE REGISTRATION (permanent registrations—Provo City License)

..... \$ 3.00

CHANGE-IN-REGISTRATION FEE

(for each change slip after September 17 1973) \$ 5.00

CHEMISTRY (each laboratory class deposit)

DEPOSITS (payable at department locations)

Chemistry (each laboratory class) \$10.00

Industrial Education \$ 1.00

Physical Education Locker Fee (nonrefundable) \$ 1.00

GRADUATION

Graduation Fee, Bachelor's Degree (only 50 percent refundable if degree is not obtained) \$12.00

Deadline: January 15 for April Graduation
May 15 for August Graduation

Graduation Fee, Master's Degree or Doctor's Degree (only 50 percent refundable if degree is not obtained) 20.00

Graduate Student Service Fee (for graduate students using University facilities without formal registration for University classes per semester) 70.00

INCOMPLETE GRADES

A student must complete an incomplete course, within one year from the date the incomplete grade was given. Fee to be paid to remove incomplete and record permanent grade (Pay at Records Office) \$ 3.00

LATE REGISTRATION

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates. (NO EXCEPTION IS MADE REGARDLESS OF THE REASON FOR BEING LATE.)

1. First five regular school days following the scheduled registration date .. \$ 5.00

2. After the fifth day following the scheduled registration date 10.00

Late fees for part-time students will be assessed at 50 percent of the above rate.

MUSIC RECITAL (solo or joint recital)\$35.00

MUSIC RENTAL

Organ rental, one hour each day, per term	\$10.00
Each additional hour each day, per term	8.00
Harpichord, clavichord rental, one hour each day per term	10.00
Each additional hour each day, per term	8.00
Harp rental, one hour each day, per term	10.00
Each additional hour each day, per term	8.00
Piano rental, one hour each day, per term	7.50
Each additional hour each day, per term	6.00
Practice room without piano, one hour per day per term	4.50
Each additional hour each day, per term	3.00
PARKING VIOLATION FINES	\$2.00 to \$15.00

RECORDS

Hold Fee (to release holds placed on records because of financial delinquency)	\$ 2.00
Records Search Fee (duplicate receipt)	1.00
Transcript Fee (The fee for transcript is \$1.00 for the first copy on every order plus \$.50 for each additional copy on the same order. Pay at Record's Office ..	1.00
SPECIAL EXAMINATION FEES (Undergraduate)	
Examination to Exempt Student from Taking a Required Class	\$10.00
Examination, Special Equivalency Nonrefundable fee to take exam	10.00
Per-credit-hour charge based on a success- fully completed examination (The maxi- mum fee for credit in any one subject will be \$40 in addition to the examina- tion fee. Each examination will be treated independently of any other ex- amination and the charge will apply ac- cordingly.)	\$ 5.00

Security And Traffic

The Security Office is a protective agency established for the benefit of students, faculty, and staff. It maintains effective liaison with the local police department and is entrusted with the proper enforcement of campus rules and regulations. All matters concerning security or requiring police action should be referred to this office.

Another major responsibility of the Security Office is the control of campus traffic and parking. Every BYU student who owns, maintains, possesses, stores or drives any motor vehicle in or about the State of Utah or intends to drive any such vehicle on the BYU campus must register that vehicle with the Security Office within two (2) days after bringing it to the Provo area.

The Security Office also offers many other services to students and staff members, including the taking of fingerprints necessary for teaching certificates, government jobs, and ROTC during the hours of 10:00 a.m. and 12:00 noon Monday through Friday. In addition, an ambulance service is maintained in cooperation with the student health center, at a minimal cost.

AUTOMOBILE REGISTRATION

To obtain a parking or registration decal, the following must be presented at the Security Office, B-69 ASB:

1. Home-state vehicle registration certificate.
2. University activity card.
3. The appropriate fee.
4. The name of insurance company.

Students from out of state who do not have Utah plates may obtain a non-resident permit for the vehicle as long as they are full-time students. Full-time employees of the University or students whose wives are full-time employees do not qualify; they must purchase Utah plates and pay Utah property tax. Either a non-resident permit or Utah license plates must be obtained immediately upon registration at the University.

To obtain a nonresident permit, a student must present the following to the information booth located at 1200 North across from Helaman Halls between the hours of 8:00 a.m. and 4:00 p.m. Monday through Friday.

1. Home-state vehicle registration certificate.
2. Proof of current safety inspection from Utah or home state.
3. Fifty cents.
4. Verification of student status (activity card).

TRAFFIC REGULATIONS

Every student who is a resident of Utah or of a state other than those listed below must have a Utah license if he wishes to drive in Utah. The following states have entered into a compact and a license from any of them is good in all others:

Arizona	Indiana	New Mexico
Alabama	Iowa	New York
Arkansas	Kansas	Oklahoma
California	Louisiana	Oregon
Colorado	Maine	Tennessee
Delaware	Mississippi	Utah
Florida	Montana	Virginia
Hawaii	Nebraska	Washington
Idaho	Nevada	West Virginia
Illinois	New Jersey	

For further details regarding traffic rules and regulations, a **TRAFFIC RULES AND REGULATIONS BOOKLET** may be obtained at no charge from the Security Office located in the Abraham O. Smoot Administration and General Services Building. All faculty/staff members and students will be responsible for the information contained therein.

Brigham Young University maintains a zoned parking system. Upperclass permits are \$6 per semester for juniors, seniors, and graduates. Lowerclass permits are \$3 per semester and available to all students. The required registration is free but allows no campus parking until after 4:00 p.m.

New Academic Information

REVISED GENERAL EDUCATION REQUIREMENTS IN RELIGION EFFECTIVE SEPTEMBER 1, 1972

This policy revision will require every full-time undergraduate to take a religion course each semester in residence until a total of 14 semester hours has been accumulated. The specific applications are as follows:

1. For full-time undergraduate students (10 hours or more), one religion course will be required each semester until a total of 14 semester hours has been accumulated.
2. For part-time undergraduate students, one religion course will be required for each 16 regular semester hours accumulated, until a total of 14 hours in religion has been accumulated.

3. The religion requirement will be 2-hour courses each semester for freshmen, sophomores, and juniors and 1-hour courses each semester for seniors.
4. Religion credit earned at Church Educational System colleges and institutes will be fully transferable to accumulate the 14-hour total, subject to the 3-hour-per-semester maximum (prescribed in item 5). Students transferring religion credit must still take one religion course each semester until 14 hours have been accumulated.
5. No more than 3 hours of religion credit earned at BYU or elsewhere during any one quarter or semester will be counted toward the 14-hour maximum. Religion credit in excess of this amount, however, will be counted as elective credit in computing total hours required for graduation.
6. All students and faculty members are encouraged and expected to attend devotional assemblies; however, no religion credit will be granted for such attendance. Credit earned by attending devotionals prior to September 1, 1972, will count toward the 14-hour total.
7. Graduate students are encouraged to register for 1-hour or other religion courses of their choice, but they are not required to register for a prescribed number of hours.
8. All undergraduate students are required to obtain credit for a 4-semester-hour sequence in Book of Mormon instruction, either at BYU or elsewhere on a college level in the Church Educational System. For most students, this will be Religion 121 and 122. Returned missionaries must fill this requirement by taking Religion 421 and 422. Other juniors and seniors may also fill the requirement by taking 421 and 422 if they can verify to the dean of the College of Religious Instruction that they have studied the Book of Mormon intensively enough to provide a background equivalent to that of the returned missionary.
9. Remaining courses may be selected from the range of religion courses offered by or under the direction of the College of Religious Instruction.

HIGH HONOR RECOGNITION—GRADUATION

Brigham Young University has included in its graduation high honors recognition, "summa cum laude," in addition to the current "magna cum laude" and "cum laude." "Summa cum laude" is awarded to those students who have earned at least 45 hours of credit at BYU and have achieved an overall grade-point average of 3.85 or higher. "Magna cum laude" is awarded to those students who have earned at least 45 hours of credit at Brigham Young University and have obtained an overall grade-point average between 3.70 and 3.84. "Cum laude" is awarded to those students who have earned at least 45 hours of credit at Brigham Young University and have obtained an overall grade-point average between 3.50 and 3.69. Although the graduation program will indicate the nominees for high honors recognition, the high honors recognition will not be determined until after all grades are submitted for the student's last semester prior to graduation.

GRADUATION APPLICATION FEE AND DEADLINE

Students applying for graduation should pick up their applications from their major department or College Advisement Center. The completed application, initiated by the major department, along with the \$12 application fee should be submitted to the cashier by January 15 for students applying for April commencement and by May 15 for students applying for August commencement. Students not applying by their prescribed deadline will be automatically considered for the next commencement. All students are encouraged to apply for graduation early in their junior year (65 to 96 credit hours).

COLLEGE OF GENERAL STUDIES

The former General College has been redesignated as the College of General Studies. A specific emphasis is being structured within the college to assist students who are uncertain as to their desired major. It is recommended that any student who does not have a firm commitment to a declared major register as an "undeclared major" in the College of General Studies.

Students desiring further information should contact the College of General Studies Advisement Center, 150 BRMB.

NEW GENERAL EDUCATION CURRICULUM

The general education requirement in biological sciences can be satisfied through a new program entitled Phase Achievement System (PAS), which has been designed to accommodate the specific interests of all students. PAS allows a student to study those biological topics (phases) that are most interesting and important to him and his day-to-day living at his own speed and at whatever time of the year is most convenient. Phases may be completed anytime during the year, and credits are awarded for each phase that has been successfully passed at the end of the term. Phase examinations will be offered every other week and may be repeated as often as necessary to achieve the desired grade. Lectures for the phases are scheduled repeatedly throughout the year to encourage efficient learning. A student may select the grade he will be satisfied with, and he has the freedom to continue working until it is achieved; thus, the chance for failing has been eliminated. Since registration in the traditional manner for the course "Bioscience and Man" is not required, additional material has been prepared and is available at 597 WIDB or it may be obtained by calling Ext. 3417. Students may also write to Clive D. Jorgensen, Department of Zoology, Brigham Young University, Provo, Utah 84602.

SPECIAL EXAMINATION FEES (UNDERGRADUATE)

The following examination fee schedule became effective 1 November 1972:

Examination fee, nonrefundable (whether taken for exemption from taking a required class or for subsequent application for credit).	\$10
Per-credit-hour charge for credit based on a successfully completed examination. (The maximum fee for credit in any one subject will be \$40 in addition to the examination fee. Each examination will be treated independently of any other examination and the charge will apply accordingly.)	\$5

Note:

Special examination forms may be picked up by the student at department chairman's offices, at college advisement centers, or at the Records Office in the Smoot Administration Building. If a student has not previously paid the \$10 examination fee, the Cashier's Office is not authorized to accept money to permit the student to process an application for credit. A teacher who gives an examination prior to payment of the \$10 examination fee will not be given credit for having given the special examination.

ASSOCIATE OF ARTS DEGREE UNIVERSITY STUDIES

The two-year Associate of Arts program in the College of General Studies is designed to satisfy the needs of those students who wish to work toward a definite degree and complete it their first two years in school. However, all credit earned for the Associate of Arts degree may be applied toward a bachelor's degree.

An Associate of Arts degree will be awarded to students who complete 64 hours; 32 of these hours must fill general education requirements of the Associate of Arts degree; 21 hours must be in an area

of concentration; and 11 hours may be in the elective areas.

It should be noted that the Area of Concentration is not a major. It is a broad general field of

study. In many cases courses from different departments and even different colleges may apply toward the fulfillment of 21 hours in one's Area of Concentration.

Graduate School Deadlines

Registration	Degree-Seeking Deadlines	Nondegree Deadlines	Foreign Student Deadlines
Fall Semester 1973	June 30, 1973	July 31, 1973	April 30, 1973
Winter Semester 1974	November 15, 1973	December 10, 1973	September 15, 1973
Spring Term 1974	March 10, 1974	March 20, 1974	January 10, 1974
Summer Term 1974	May 15, 1974	May 30, 1974	March 15, 1974

Other Academic Information

HONORS PROGRAM

(See 1973-74 Catalog of Courses, pages 38-39.)

SCHOLARSHIP RECOGNITION

(See 1973-74 Catalog of Courses, page 30.)

REQUIREMENTS FOR GRADUATION

(See 1973-74 Catalog of Courses, pages 24-26.)

COURSE DIVISIONS

Classes are given numbers as follows:

Preparatory and remedial courses	1-99
Lower-division courses	100-299
Upper-division courses	300-499
Courses for graduates or advanced undergraduates	500-599
Graduate courses	600 or above

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

ELEMENTARY AND SECONDARY CERTIFICATION

The change to the trimester system at BYU means that students may earn only 8 hours during the summer term. Teachers holding elementary and secondary certificates who desire the 10 hour 2 year Basic Professional Endorsement will need to earn at least 2 hours of approved Special Education course work prior to summer school enrollment in order to teach in a Special Education class beginning in the fall. Students anticipating such a program might earn the necessary course work by Home Study or during the Spring Term. For further information, contact Dr. Glen E. Thomas, Coordinator, Institute for Special Education, 245 Training Building.

HOME STUDY

Home Study is the University's "portable" program. It allows you to earn credit through correspondence work, on or off campus. There are 290 courses avail-

able, representing 45 departments. You may register for courses anytime during the year. For further information and a free catalog of courses, contact the Home Study Office, Room 210 HRCB, or telephone 374-1211, Ext. 2868. Office hours are 8:00 a.m. to 5:00 p.m., Monday through Friday.

PERSONAL DEVELOPMENT PROGRAM

Although the major emphasis at Brigham Young University is on intellectual and spiritual development, the University is also concerned with the personal and social development of its students. With this in mind, a search was made for classes which will assist students with their personal and social development through a practical emphasis on learning by doing. Two types of courses were finally selected. The first are taught by faculty from established academic departments and carry academic credit (these are identified as Personal Development classes in the departmental listings of the class schedule). The second are experiential courses taught by faculty from the Personal Development Center and do not carry credit. These latter classes involve such topics as interpersonal communication, personal and social development, educational and vocational development, and training for lay counselors. For further information contact the Personal Development Center, Stewart House, Ext. 4201, or the Personal Development Program table at registration.

STUDENT CLASSIFICATION

At the beginning of each semester, students are classified for that semester as follows:

Credit Hours Earned	Classification
0 — 31.9	Freshman
32 — 63.9	Sophomore
64 — 95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

General Education Requirements

GENERAL EDUCATION PROGRAM

A candidate for a bachelor's degree at Brigham Young University must satisfy all of the general education requirements described below.

AREA REQUIREMENT

AMERICAN HISTORY AND GOVERNMENT. The general education requirement in this area may be satisfied by completing one of the following courses or combination of courses: Hist. 170; Hist. 120 and 121; Hist. 121 and Pol. Sci 110. A student can take an examination that will, if passed, satisfy the American history and government requirement. (Check with the University Testing Center, B-280 ASB, for testing dates.)

BIOLOGICAL SCIENCE. A student must complete a minimum of 6 semester hours selected from the following approved courses:

Biological and Agricultural Education:

105 (3)	Agricultural Science and Industry
200R (V)	Biosciences and Man
201 (4)	Introduction to Biology
250 (3)	Environmental Biology
276 (3)	Heredity
351 (3)	Natural History for Elementary Teachers
376 (3)	General Genetics

Botany: any botany course with a number below 490, except 161, 469 and 480.

General Curriculum: 101 (3) Introduction to Biological Science I.

Honors:

213R (3-5) Biology.

Microbiology: all courses with numbers below 490.

Zoology: all courses with numbers below 490, except 381.

ENGLISH COMPOSITION. Each student must earn 3 semester hours by completing General Curriculum 105 or English 111 during his freshman year. He must earn an additional 3 hours by taking English 212, 215, or 251 during his sophomore year, or English 316 during his junior year. The student's major department will designate which of the latter courses he should take.

HEALTH. This requirement may be satisfied by completing 2 semester hours of approved course work or by special examination arranged for with the Department of Health Sciences. Health 130 and Nursing 106 and 156 are the courses approved to fill the health requirement.

HUMANITIES AND FINE ARTS. A student must complete a minimum of 6 semester hours selected from the following approved courses:

Art. All undergraduate courses in art history and appreciation and—

- 101 (2) Introduction to Art
- 102 (2) Basic Design for Nonmajors
- 103 (2) Drawing for Nonmajors
- 104 (2) Sculpture for Nonmajors
- 105 (2) Ceramics for Nonmajors
- 106 (2) Crafts for Nonmajors
- 107 (2) Painting for Nonmajors
- 109 (2) Design for Technology
- 110 (2) Design for Everyday Life
- 111 (3) Survey of Art History for Nonmajors
- 205 (2) Advanced Ceramics for Nonmajors
- 206 (2) Advanced Crafts for Nonmajors
- 207 (2) Advanced Painting for Nonmajors
- 311 (3) Survey of Art and Architecture
- 312 (3) Survey of Art and Architecture
- 415 (3) Special Topics in Art History

Communications

- 101 (2) Introduction to Mass Communication
- 201 (2) The Communication Process

English. All undergraduate literature courses.

Foreign Languages. All undergraduate literature courses.

Humanities and Comparative Literature. All undergraduate courses.

Music.

- 103. (2) Survey of Music Literature
- 101. (3) Introduction to Music.
- 484, 485 (3 ea.) History of Music

Philosophy. All undergraduate courses except 101 and 316.

Philosophy. All undergraduate courses except 101 and 316.

Speech and Dramatic Arts.

- 101 (3) Speech Communication
- 102 (2) Introduction to Public Speaking
- 115 (2) Introduction to the Theatre
- 121 (3) Voice, Diction, and Interpretation
- 301 (2) Business and Professional Speaking

PHYSICAL EDUCATION. A minimum of 2 semester hours, selected from any of the Physical Education 100-series courses, will satisfy the physical education requirement. One-half credit hour should be taken each semester in the freshman and sophomore years. Students expecting to complete this requirement with credit for military service or through other University-approved programs should check with the Graduation Office, B-150 ASB.

PHYSICAL SCIENCE. A student must complete a minimum of 6 semester hours selected from the following:

Chemistry: all undergraduate courses.

Geology: all undergraduate courses.

Physics: all undergraduate courses.

Statistics:

- 221 (3) Principles of Statistics

RELIGION. One religion class is required for each full-time registration (10 semester hours or more) by an undergraduate student at BYU until a total of 14 semester hours in religion has been earned. Part-time students must complete one religion class for every 16 hours of BYU credit completed.

Any religion class in the 100 through 400 series may be taken to meet the religion requirement.

All undergraduate students must obtain college-level credit for the equivalent of 4 semester hours in Book of Mormon. In computing the 14 semester-hour total requirement, no more than 3 hours of religion credit at BYU or elsewhere will be counted from any one quarter or semester.

Special Situations:

1. **Transfer Credit from LDS Colleges and Institutes.** A student may transfer religion credit to BYU to meet the general education requirement in religion. No more than 3 hours of religion credit will be counted from any one quarter or semester. A transfer student will be required to complete one religion class per semester at BYU until such time that the transfer religion credit and the BYU religion credit satisfy the 14-semester-hour requirement.

Institute credit will be appraised as follows: Credit will be accepted only if the institute director certifies that the course was taken for institute credit and was in conformance with college standards. If the transfer college credit and the institute credit combined exceed that permitted at BYU, the student must indicate to the Office of Admissions and Records the courses for which he desires to receive credit.

2. **Students Required to Study Off Campus.** If a student is required to study off campus as a part of his degree requirements, he is required to register for religion during that semester through Home Study, a BYU continuing education center, or LDS Institute.
3. **Bible Credit from Non-LDS Colleges and Universities.** Bible credit from accredited non-LDS universities and colleges will not satisfy the religion requirement. The transfer credit will, however, apply as elective credit toward the total hours required for graduation.
4. **Credit Completed at Centers for Continuing Education.** A student must complete one religion class for every 16 hours of academic credit completed at BYU centers for continuing education.
5. **Requirements for Second Baccalaureate Degree Candidates.** Students who register at BYU for a second baccalaureate degree, after having received a first at another university, are required to take one religion class per semester.

SOCIAL SCIENCE. A minimum of 5 semester hours must be completed from the following approved courses:

Agricultural Economics.

- 112 (3) Economics and Agriculture
- 350R (3) Land and Range Management
- 355 (3) Rural Development Economics
- 450 (3) Natural Resource Economics

Anthropology. All undergraduate courses.

Archaeology. All undergraduate courses.

Asian studies. All undergraduate courses.

CDFR.

- 210 (3) Child Development
- 360 (3) Achieving Success in Marriage
- 361 (3) Family Relationships

Economics. All undergraduate courses.

Geography. All undergraduate courses.

History. All undergraduate courses.

Political Science. All undergraduate courses.

Psychology. All undergraduate courses except 370 and 374.

Recreation Education.

- 337 (2) Philosophy of Recreation.

Sociology. All undergraduate courses except 205 and 206.

OTHER REQUIREMENTS

A candidate for the bachelor's degree must also complete one of the two following options:

1. **Language.** Successful completion of a 201 foreign language course (intermediate level) or its equivalent. This requirement may also be filled by the successful completion of a 301 foreign language class, or any more advanced

language, literature, or culture class in a particular foreign language.

2. Mathematics, Statistics, Logic. Six semester hours selected from the following:
Mathematics. All undergraduate courses numbered 105 or higher.
Statistics. Any undergraduate course having a prerequisite of Math. 105 or higher.
Logic. Any undergraduate course in educative or inductive logic or in the philosophy of science (Phil. 205, 354).

Other basic courses especially suited to develop the capacity of the student to apply mathematics to scientific problems (must have a prerequisite of Math. 105 or higher). The following BYU courses are accepted in this area:

- Biological and Agricultural Education.
 - 201 (4) Introduction to Biology
 - 321 (2) History and Philosophy of Biology
 - 376 (3) General Genetics
- Chemistry.
 - 105 (4) General College Chemistry
 - 111 (3) Principles of Chemistry
- Geology.
 - 311 (3) Structural Geology
- Economics.
 - 488 (3) Introduction to Econometrics
- Microbiology.
 - 331 (5) Microbiology
- Physics.
 - 105 (3) Introductory Physics
- Psychology.
 - 374 (3) Experimental Psychology

Certain courses peculiarly suited to illustrate the application of formal logic in the development of a discipline or tool area. BYU courses in this category are:

- *Computer Science.
 - 130 (3) Introductory Computing
 - 131 (3) Scientific Computing
 - 132 (3) Computer Organization and Programming
 - 133 (3) Business Computing
 - 110 (3) The Development of Scientific Thought
 - 300 (3) Philosophical Foundations of Modern Physics

*Only one computer science class may be used in the mathematics-statistics-logic area.

TRANSFER CREDIT EVALUATION

All transfer credit that represents college-level work from accredited institutions will be accepted. Students who transfer to BYU will have their transcripts evaluated by the Transfer Evaluation Office and will be notified in writing of the general education requirements remaining to be completed.

BYU has generally followed a pattern of course-for-course equivalency evaluation, evaluating credits on the basis of BYU general education programs and accepting all transfer credit for courses reasonably equivalent to BYU courses. In this area-by-area evaluation it is important to note that when a student takes a course at another accredited institution that counts in a given education area at that institution, we, in our evaluation for general education credit, allow that course to count in the same area.

The chairman of the student's major department evaluates other transfer credit for classes that may be used to meet major or minor requirements.

POLICY ON HOLDERS OF THE ASSOCIATE DEGREE. The University's policy for a student with an associate degree who transfers to BYU is as follows: If the procedure for earning general education credit at his junior college is similar to that followed by BYU and if the student has fulfilled some requirements in all areas and does not lack more than 5 hours in reaching the BYU total-hour requirements in general education, the student will be admitted to BYU with general education requirements considered completed.

GRADUATION BACHELOR'S DEGREES

CREDIT REQUIREMENTS. A candidate for a bachelor's degree must complete a minimum of 128 semester hours of credit.

UPPER-DIVISION REQUIREMENTS. A minimum of 40 semester hours of upper-division credit (classes numbered 300 and above) is required for a bachelor's degree.

MAJOR REQUIREMENTS. A student must complete at least 20 semester hours in his major department, 10 of which must be earned on the BYU campus. He must also satisfy any additional departmental requirements.

RESIDENCE REQUIREMENTS. At least 30 semester hours of credit taken in residence at BYU are required for a bachelor's degree. A maximum of 10 semester hours earned at BYU centers for continuing education or at an LDS Institute may be applied toward this 30-hour requirement. A student must register and be on campus during two semesters—not necessarily consecutive—to satisfy the residence requirement.

SECOND BACHELOR-DEGREE REQUIREMENTS. A student will qualify for a second bachelor's degree when the following requirements are satisfied: (1) BYU general education requirements, (2) major requirements, (3) minor requirements, (4) residence requirement of 30 additional hours beyond the first bachelor's degree, (5) religion requirements, and (6) all other graduation requirements set forth in the catalog for bachelor's degree candidates. An additional 30 hours beyond the last degree including a minimum of 10 hours within the major are required.

GENERAL EDUCATIONAL REQUIREMENTS. A candidate for a bachelor's degree must satisfy the following general education requirements:

Area Requirements	Semester Hours Required
American history and government	3
Biological science	6
English composition	6
Health	2
Humanities	6
Physical Education	2
Physical science	6
*Religion	14
Social Science	5

A student must also complete one of the two options described below:

- A. Mathematics, statistics, logic 6
- B. Foreign language 8 hours of advanced credit

*Two hours of religion are required per semester (10 hours or more) in residence, including Spring and Summer terms, for freshmen, sophomores, and juniors. One hour per semester is required for seniors. Part-time registration at BYU or a continuing education center requires one religion course for each 16 hours. No more than 3 hours of religion credit at BYU or elsewhere will be counted for any one quarter or semester.

Book of Mormon 121 and 122 are required of all students. Religion 421 and 422 are offered for returned missionaries and transfer students as a substitute for this requirement.

See the section entitled. "General Education Program" for additional and more detailed information.

GRADE-POINT AVERAGE REQUIREMENT. All degree-seeking students must achieve at least a 2.00 (C) cumulative grade-point average by the beginning of the semester, in which they plan to graduate. Transfer students must have at least a 2.00 (C) grade-point average for both their residence credit at BYU and for their total college credit.

CORRESPONDENCE CREDIT. A maximum of 24 semester hours of correspondence credit may be applied toward fulfillment of the 128 semester-hour requirement.

"D" GRADE CREDIT. Not more than 18 semester hours of "D" grade credit may be applied toward completion of the bachelor's degree requirements,

nor more than 10 semester hours of "D" grade credit for the associate-degree requirement.

ASSOCIATE DEGREES

Upon completion of an approved two-year curriculum, the Associate of Science degree or the Associate of Arts degree will be awarded at the regular University graduation exercises. A minimum of 64 semester hours of credit is required (Nursing requires 73 hours). A candidate for an associate-degree must satisfy the following general education requirements:

	Associate of Science	Associate of Arts
English	6	6
American History	3	3
Health	2	2
Physical education	1	1
Humanities	2	3
Biological science	2	3
Physical science	2	3
Social science	2	3

*One religion class is required per semester in residence, including Spring and Summer Terms. Religion 121 and 122 are required of all students.

Exceptions:

1. Two-year Technician students are not required to complete the biological science and social science general education groups.
2. Nursing students are not required to complete the humanities general education group or Health 130.

Of the total of 64 credits, at least 20 must be taken in residence; a total of 12 credits may be taken by correspondence. However, 15 semester hours of work completed on the BYU campus and 5 semester hours taken at a BYU center for continuing education or an LDS Institute, as a matriculated student will satisfy the residence requirement for the two-year program or at an LDS Institute. A maximum of 10 "D" credits will be accepted, but both cumulative and BYU grade-point average of 2.00 or above are required. Students completing one of these programs may, if they desire, continue their work toward a baccalaureate degree.

For specific programs in fields offering associate degrees, see the "List of Courses" section.

JUNIOR ENGLISH PROFICIENCY EXAMINATION

Passing the Junior English Proficiency Examination is a graduation requirement that should be met during the junior year, preferably as soon as the student is eligible. Clearance for graduation must be accomplished at least one month prior to graduation. To be eligible for the examination, a student must have completed his freshman English requirements and have at least 64 semester hours of credit.

A grade of B- or better from on-campus classes in English 212, 215, 251, or 316 earned after September 1, 1971, will satisfy the Junior English Proficiency Examination requirement. The intent of this provision is not to waive the requirement, but to have the student fulfill it by writing several good in-class essays under examination conditions. Failing to do that, the student may not be awarded a grade above C+, regardless of whatever excellence he may otherwise achieve in the class. Such is the importance the University places upon unaided, impromptu writing.

The examination is offered twice each semester on dates announced in the calendar; admission is by appointment card only. Students may obtain the cards—which specify time, place, and other pertinent information—from their own college advisement center and should plan to take the examination early enough so that they are not involved with it near graduation time (junior students always will receive preferential consideration for appointments).

The examination is free at scheduled times but may be taken at other times upon payment of a \$10 fee.

Students who fail the exam should undertake some significant remedial study, either independently with or without a tutor or by registering for English 15, "Remedial English for Juniors," which is offered each block.

The Junior English Proficiency Examination is a standardized test that measures comprehensively the full range of skills involved in good writing and effective, appropriate expression. In one section of the test the student is asked to deal with weaknesses in a composition. From a list of four choices, he selects the revision which best solves the writing problem. In another section of the test the student is asked to write a theme on a topic supplied by the examiner. The theme tests the student's ability to limit, organize, and develop a topic, and to use the language competently. The test dates are as follows:

Sept. 15, 1973	Nov. 3, 1973	Jan. 19, 1974
	Mar. 9, 1974.

PHYSICS AND ASTRONOMY

PHYSICS 100 SECTIONS 1, 2, 3, 4, 5 AND 7 USE TV LECTURES. ADDITIONAL TIMES ARE AVAILABLE IF REQUIRED FOR SECTIONS 1 THROUGH 5.
PHYSICS 100 SECTIONS 1 THRU 5 SHOULD ATTEND AT LEAST ONE DISCUSSION EACH WEEK AT ANY OF THE FOLLOWING HRS. TTH AT 9 AND 1. MWF AT 10, DAILY AT 11 AND 3. DISCUSSIONS FOR BLOCK PLAN STUDENTS ARE AT 11 ON MWF.
PHYSICS 100 SECTIONS 8 AND 9 ARE RESERVED FOR GEN. CURRICULUM STUDENTS MAJOR 303.

Spring Term – Summer Term

REGISTRATION PROCEDURES

Spring Term registration for continuing students will be held in February and will be a computer assisted early registration. Students will be allowed to submit their class request form (to be distributed in the near future) and a \$50.00 deposit. Students thus registered will be permitted to pick up their packets, make adjustments to their schedule, pay the remainder of their tuition, and finalize on April 26. New students will register on April 27 and all continuing students who failed to register will be permitted to register late beginning April 27.

Further information including the Alphabetical Registration Schedule for the April adjustment and registration will be published later.

Registration For Faculty And Staff

FULL-TIME FACULTY AND ADMINISTRATIVE PERSONNEL

Full-time teaching faculty and administrative personnel may register for courses of study up to 6 hours per semester and will not be required to pay the regular tuition and fees, except that a maximum of 5 credit hours will be permitted during the daytime hours of 8:00 a.m. to 5:00 p.m. All those wishing to take daytime classes will need the written approval of their department chairman or supervisor and the dean or director. This written request and approval must then be submitted to the Benefits Office for final clearance.**

Continuing faculty members not teaching during the summer may take a maximum of 6 credit hours during the Summer Term. A new faculty member may not take classwork during the Summer Term before he begins teaching classes.

The spouses of full-time faculty members or administrative personnel may register for courses of study with no limit as to the number of hours, day or night, and will not be required to pay the regular tuition and fees.

FULL-TIME REGULAR STAFF

Full-time regular staff may register for courses of study up to 6 credit hours per semester, and the University will pay for 5 of those hours. The additional hour must be paid for by the employee. Courses may not be taken during regular working hours. Lunch hours, no matter when scheduled, may not be used for class attendance.

After the staff employee has completed 5 years of continuous employment as a full-time regular staff

member, his or her spouse may register for courses without restriction as to time or number of credit hours.

PART-TIME FACULTY

Part-time faculty members (not graduate assistants) may receive free tuition for a number of hours up to the number of hours they teach, not to exceed 5 hours per semester and will not be required to pay for these 5 hours (or less) regular tuition and fees. The part-time faculty member will need to pay for any additional hours he wishes to take.

Spouses of part-time faculty are required to pay regular tuition and fees for courses for which they register.

PART-TIME STAFF

All part-time staff members must pay the regular fees for registration in courses.

TUITION-FREE CARDS

Cards indicating eligibility for evening school only, may be obtained at the Benefits Office, C-40 ASB. If an individual is registering for daytime and evening classes, tuition authorization from the Benefits Office table in the Richards PE Building during registration.

SPECIAL NOTE**

Faculty members, staff members, and spouses who wish to register for daytime classes must be properly admitted through the Admissions Office.

Applications for approval to take daytime classes (8 a.m.-5 p.m.) may be obtained at the Benefits Office, C-40 ASB.

Academic Standards

To graduate from BYU, a student must have earned a 2.0 cumulative grade-point average on both his total college and BYU work. Academic standards regulating continuing student progress are consistent with the graduation requirements.

Students at any class level with a cumulative grade-point average of 2.0 or above will be considered in good academic standing. (Academic standing is determined by the cumulative grade-point average of credits earned at BYU.)

Academic Warning will be given if the semester grade-point average is below 2.0, even though the cumulative is at or above 2.0.

Academic Probation will be enforced when the cumulative grade-point average falls below 2.0.

Academic Suspension may result from a student's failure to bring his or her cumulative grade-point average up to 2.0 or above during the semester in which he or she is on academic probation. A student

who has failed to achieve a 2.0 accumulative grade-point average during a probationary semester, and has not been suspended, can always attend Spring and Summer terms.

Readmission will be available to any students previously suspended for academic reasons who bring their cumulative grade-point average to at least 2.0 by such means as approved attendance at Spring and/or Summer terms or satisfactory completion of Home Study work. (Individual programs leading to reinstatement may be developed by arrangement with the Academic Standards Office.)

Calendar For 1973

WINTER SEMESTER 1973

December 1 (Friday): Final date for submitting all applications for admission or readmission for Winter Semester 1973.

January 3 (Wednesday): New-student orientation.

January 4, 5, 6 (Thursday, Friday, Saturday): Registration for Winter Semester 1973.

January 8 (Monday): Class instruction begins.

January 10 (Wednesday): First day changes in registration are permitted.

January 19 (Friday): Last day on which late registration may occur for Winter Semester and for adding classes.

January 22 (Monday): Fee of \$5 in effect for dropping classes. (Adding classes not permitted).

February 16 (Friday): Last day to drop first-block classes.

February 23 (Friday): Midsemester registration.

March 2 (Friday): Last day on which a student may officially withdraw from a class for reasons other than nonacademic emergencies.

April 12 (Thursday): End of formal class period for Winter Semester.

April 13, 14, 16, 17, 18, 19 (Friday, Saturday, Monday, Tuesday, Wednesday, Thursday): Final examination period for Winter Semester.

April 20 (Friday): Commencement.

SPRING TERM 1973

March 20 (Tuesday): Final date for submitting applications for admission or readmission for Spring Term 1973.

April 25 (Wednesday): New-student orientation.

April 26, 27 (Thursday, Friday): Registrations for Spring Term 1973.

April 30 (Monday): Class instruction begins.

May 2 (Wednesday): First day changes in registration are permitted.

May 8 (Tuesday): Last day on which late registration may occur and for adding classes.

May 9 (Wednesday): Fee of \$5 in effect for dropping classes. (Adding classes not permitted.)

May 28 (Monday): Memorial Day holiday.

May 30 (Wednesday): Last day on which a student may officially withdraw from a class for reasons other than nonacademic emergencies.

June 20, 21 (Wednesday, Thursday): Final examination period for Spring Term 1973.

SUMMER TERM 1973

May 30 (Wednesday): Final date for submitting applications for admission or readmission for Summer Term 1973.

June 21 (Thursday): New-student orientation.

June 22, 23 (Friday, Saturday): Registration for Summer Term.

June 25 (Monday): Class instruction begins.

June 27 (Wednesday): First day changes in registration are permitted.

July 3 (Tuesday): Last day on which late registration may occur and for adding classes.

July 4 (Wednesday): National holiday observed.

July 5 (Thursday): Fee of \$5 in effect for dropping classes. (Adding classes not permitted.)

July 24 (Tuesday): State holiday observed.

July 25 (Wednesday): Last day on which a student may withdraw from classes for reasons other than nonacademic emergencies.

August 15, 16 (Wednesday, Thursday): Final examination period for Summer Term 1973.

August 17 (Friday): Commencement.

Academic Regulations

WHERE TO PAY FEES

All fees listed in this class schedule are to be paid at the cashier's area during registration unless otherwise noted. After registration, fees should be paid in D-155 ASB.

LATE REGISTRATION PENALTY

Students who fail to register on the regular registration dates must pay a late registration fee. If a student registers during the first two regular school days after scheduled registration, the fee is \$2.50. After the first two days the fee is \$5. The penalty rate for part-time students is one-half that charged to full-time students. A fraction of an hour is counted as a full hour for assessing fees.

ADMISSION OF EVENING CLASSES STUDENTS TO DAY SCHOOL

Students who are attending evening classes only and wish to transfer to day school and take daytime classes must submit application for admission to BYU prior to the established deadline dates for the semester they wish to attend. Application for admission may be obtained from the Office of Admissions, A-153 ASB.

ADMISSION TO CLASS

Students whose names are on the class roll are officially registered. If a student's name is not on the roll, he should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes three days after the completion of

regular registration. Another roll is sent out during the third week which includes the names of all students registered for that class.

DROPPING AND ADDING CLASSES FOR SPRING TERM ONLY

The key to reducing changes in registration is filling out the initial registration carefully.

If a student must make a change in registration, the change must be approved by the instructors involved. No changes in the initial registration may be made until Wednesday, May 2, 1973.

Students are permitted to drop or add classes from Wednesday, May 2, 1973, through Tuesday, May 8, 1973, if their instructor(s) agree that the change is advisable. In exceptional cases, students may withdraw from classes until May 30. Withdrawals after May 30 are granted only for non-academic emergencies.

After May 30 if a student withdraws from a class in which he is doing passing work, his permanent record will carry a "W." If a student is failing, his permanent record will carry a "WE." This is considered the same as an "E" in calculating a grade-point average.

If a student needs to change his registration he must do five things:

1. Obtain Change of Registration form from Registration Office, B-130 ASB
2. GET THE CONSENT AND SIGNATURES OF THE INSTRUCTORS INVOLVED.

3. **PAY A \$5 FEE TO THE UNIVERSITY CASHIER.** This is necessary if the change is made May 9 or anytime thereafter. Classes may not be added after Tuesday, May 8.
4. **TAKE THE CHANGE-IN-REGISTRATION CARD TO REGISTRATION PERSONNEL, B-130 ASB.**

Any student dropping a class in religion after the initial registration must also add another class in religion, unless he has a signed statement from the dean of the College of Religious Instruction officially excusing him for that semester.

Late registration ends Tuesday, May 8, 1973.
No student may register after that date.

If a student wishes to completely withdraw from school, he must clear through the office of the Dean of Student Life.

DROPPING AND ADDING CLASSES FOR SUMMER TERM ONLY

No changes in the initial registration may be made until Wednesday, June 27, 1973. Students may drop or add from Wednesday, June 27, 1973, through July 3, 1973 without a fee. In exceptional cases, students may withdraw from classes until July 25. Withdrawals after July 25 are granted only for non-academic emergencies.

After July 25, if a student withdraws from a class in which he is doing passing work, his permanent record will carry a "UW". If a student is failing, his permanent record will carry a "WE". This is considered the same as an "E" in calculating a grade-point average.

EVENING CLASSES

DAYTIME STUDENTS taking evening classes (section 90 and above) must pay an extra fee of \$3.00 per class hour, in addition to regular tuition. This fee must be paid on the day the student registers for the evening class. Students who fail to do so will be charged a late fee of \$2.50. Day students must register for evening classes at the same time they register for day classes.

Those who register for **Evening Classes Only** should register by mail before March 1, or register in the Smith Family Living Center multipurpose area on April 26 and June 22 from 11:00 a.m. to 7:00 p.m.

FACULTY AND STAFF members who register for evening classes only must register by mail before Thursday, March 1.

LIMITATIONS OF CREDIT IN ONE SEMESTER

Undergraduate students in good standing may register for as many as 18 (Freshman 17) hours of credit in any one semester by following the regular registration procedure. The dean of a college may authorize a student who has academic ability of high quality to register for a maximum of 18 hours for the first semester in residence and a maximum of 19 hours for any succeeding semester. Any student who has completed 15 or more hours of college work and who has a cumulative grade-point average of 3.5 (or 3.5 average in the semester previous to registration) may register, with the consent of his dean, for 21 hours. Auditing of classes, registration for home study, or registering for evening classes or off-campus courses constitute a part of the student's total registration. Exceptions to these rules should be presented to the dean of Admissions and Records by the dean of the college concerned.

MAJOR REQUIREMENTS

A student must complete at least 20 semester hours in his major department and must satisfy any additional departmental requirements. A minimum of 10 semester hours must be earned on campus at BYU.

CHANGING COLLEGE OR MAJOR

A student who desires to transfer from one major to another, or from one college to another, may do

so. However, he must clear this change through the deans of the colleges involved. Official change-of-major cards may be obtained from the office of the dean of the college in which the student is presently enrolled. After being properly signed, these cards must be turned in to the office of the dean of the student's new college one month prior to the next semester's registration.

WITHDRAWAL FROM BYU

No undergraduate student is officially withdrawn from the University unless he has obtained and completed the discontinuance form from the Office of the Dean of Student Life.

If the student finds it necessary to totally discontinue all classes he must:

1. Obtain discontinuance forms from the Discontinuance Office, B-234 ASB, phone 2723.
2. Obtain necessary signatures (explained on form).
3. Relinquish University activity card.
4. Have a personal interview and be signed out by a member of the Dean of Student Life staff.

Graduate School students and students enrolled only in Evening School classes will withdraw through those offices.

REPEATING CLASSES

Students can repeat classes at BYU. This can be done in three ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from BYU department chairman.
3. Repeat at other institutions classes taken at the same institution—and then have the credit transferred to BYU.

When a student repeats a class, the grade used to figure the student's grade-point average is the grade earned the last time the repeated class was taken. The student must notify the Records Office, B-150 ASB, that the class has been repeated during the next semester after the class is repeated.

INCOMPLETE GRADES

The letter "I" (incomplete) is used to indicate that work is not yet completed. It is given only when special prior arrangements for the completion of the specific work involved have been made between the teacher and the student. The "I" never is given when a student has failed or is failing the course. An "I" is regarded as a neutral grade for a period of one year, following which it will be changed to an "E" and calculated as such in the grade-point average. An authorization for Change of Incomplete form must be properly completed and submitted to the Records Office B-150 ASB within one year from the date the incomplete is given.

CLASS ATTENDANCE POLICY

BYU feels it is important that students attend classes for which they are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only where the student is away representing the University on official business. All officially excused absences must be approved through the Office of the Dean of Student Life.

Faculty should tell students what relationship attendance has to their final grade for the course. The student must take the responsibility for his actions. It is not necessary for the instructor to report absences to the Office of the Dean of Student Life unless he has knowledge of an accident or illness which is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is the responsibility of the student.

Spring Term – Summer Term

Tuition And Fees

The largest private school in the nation, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. Approximately 70 percent of the cost of operating the University is paid from the tithes of Church members. Because of this, students who are Church members or their families already have made a monetary contribution to the operation of the University. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

All students who register will be expected to pay tuition and fees prior to or at the time of registration. Students are responsible to pay the correct amount of tuition and fees. The University reserves the right to change these figures without notice.

The tuition assessed varies according to the number of hours registered for:

Per Term	LDS Church	
	Members	Nonmembers
Part-time:		
1 credit hour	\$ 35.00	\$ 50.00
2 credit hours	60.00	90.00
3 credit hours	85.00	130.00
4 credit hours	110.00	170.00
Full-time:		
Over 4 credit hours	150.00	225.00

Note: An additional \$3 per credit hour is assessed for evening class hours (Section 90 and above) taken by a day school student.

A fraction of an hour is counted as a full hour in assessing fees.

The charge for noncredit courses or for auditing courses is the same as for taking them for credit.

Noncredit courses taken by part-time students are assessed on the basis of the number of hours involved in lecture classes. For example, 3 hours of lecture a week would be considered 3 semester hours and would be charged for accordingly. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees will be charged based on hours being carried during the semester, as determined by the supervising professor.

If a student takes a noncredit class, it can change his status from part time to full time. A student taking 3 credit hours plus a noncredit class involving 2 or more lecture hours per week would be considered a full-time student.

Part-time students are not eligible to purchase health insurance. They are also not entitled to health service, student activity privileges, or physical education suit and facility privileges. All part-time students enrolled in one or more of certain physical education classes must pay an additional \$5. Students should check with the Cashier's Office for applicable classes.

After initial registration, a part-time student who increases the number of credit hours must pay for these additional hours on the day they are added. If he/she does not, a late fee will be assessed.

A full-time student dropping to part-time or a part-time student who decreases credit hours will be entitled to a tuition refund. A refund request must be initiated by the student through the Registration

Office. The refund schedule is the same as for withdrawal refunds except a full refund is allowed through the last day for adding classes.

LATE REGISTRATION FEE

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates. (NO EXCEPTION IS MADE REGARDLESS OF REASON FOR BEING LATE.)

1. First two regular school days following the scheduled registration date\$ 2.50
2. After the second day following the scheduled registration date\$ 5.00

Any student whose check is dishonored by the bank will be charged a handling fee of \$5. If the check was for tuition, there will be an additional charge of the late fee in effect at the time the check is redeemed.

WITHDRAWAL REFUNDS

Students who decide to discontinue school should notify the Office of the Dean of Students immediately. Any delay in notification or in turning in the activity card or fee receipt may reduce the amount of the tuition refund.

Refunds will be made based on the date of withdrawal as follows:

Date of withdrawal	Tuition Refunded
Spring Term	Summer Term
May 2-May 8	June 27-July 3 100% less \$10
May 9-May 18	July 4-July 1375%
May 19-May 25	July 14-July 2050%
May 26-June 1	July 21-July 2725%
After June 1	After July 27 no refund

Late fees are not refundable.

Refund checks will be mailed from the Treasurer's Office to the student approximately three weeks from the date on which the student reported his withdrawal and surrendered his activity card or fee receipt to the Office of the Dean of Students.

No refund will be granted to a student who is requested to withdraw from the University for scholarship or other causes.

CLASS FEES

(Late fee of \$2.50 added on all classes after May 8th for Spring Term and after July 3rd for Summer Term.)

Agronomy and Horticulture 112	
(floral design)	\$ 10.00
Archaeology 455R	125.00
Education 468, 673—2 credit hours	15.00
Education 468, 673—4 credit hours	25.00
Family Economics and Home Management 370:	
Resident Students	70.00
Married nonresident students	40.00

(All resident students must pay a \$25.00 nonrefundable deposit prior to registration, the balance of the fee to be paid at the time of registration.)

Geology 410	110.00
Military Science (Leadership Lab)	7.00

Class Fees Continued:

Music 368, 370, 372 (woodwind, brass and string workshops)	5.00
Private Lessons	
Music 159R (30-minute lessons)	55.00
Music 160R, 360R, 660R (45 minute lessons)	75.00
Private music instruction fee refund application is made at C-550 HFAC.	
Physical Education 128 (bowling)	10.00
Speech and Dramatic Arts 485, 486	25.00

SPECIAL FEES**ACTIVITY CARDS**

Duplicate Card Fee	\$ 4.00
Identification Photo Fee	2.00
Spouse Activity Card (nonrefundable)	2.50

AUTOMOBILE REGISTRATION AND PARKING FEE

(Auto registration is mandatory,
but there is no charge if a student
does not park on campus.)

Zone B (Spring and Summer Terms)	\$ 6.00
Zone B (Summer Term Only)	3.00
Zone C & D (Spring and Summer Terms)	3.00
Zone C & D (Summer Term Only)	1.50

BICYCLE REGISTRATION (permanent regis- tration)	\$ 1.00
--	---------

CHANGE-IN-REGISTRATION FEE

(for each change slip after May 8 for Spring
Term or after July 3 for Summer Term) \$ 5.00

CHEMISTRY (each laboratory class deposit)	\$10.00
--	---------

DEPOSITS (payable at department locations)

Chemistry (each laboratory class)	\$10.00
Industrial Education	\$ 1.00
Physical Education Locker Fee (nonrefundable)	\$ 1.00

GRADUATION

Graduation Fee, Bachelor's Degree (only 50 percent refundable if degree is not obtained)	\$12.00
Deadline: Jan. 15 for April Graduation May 15 for August Graduation	

Graduation Fee, Master's Degree or Doctor's Degree (only 50 percent refundable if degree is not obtained)	20.00
---	-------

Graduate Student Service Fee (for graduate students using University facilities with- out formal registration for University classes per semester	60.00
--	-------

INCOMPLETE GRADES

A student must complete an incomplete
course within one year from the date
the incomplete grade was given. Fee to
be paid to remove incomplete and re-

cord permanent grade (Pay at Records Office)	\$ 3.00
---	---------

LATE REGISTRATION

Late registration fees will be assessed all
full-time and part-time students for
failure to complete registration on
scheduled dates. (NO EXCEPTION IS
MADE REGARDLESS OF THE REASON
FOR BEING LATE.)

1. First two regular school days follow-
ing the scheduled registration date\$2.50
2. After the second day following the
scheduled registration date 5.00

MUSIC RECITAL (solo or joint recital)	\$35.00
---	---------

MUSIC RENTAL

Organ rental, one hour each day, per term	\$ 5.00
Each additional hour each day, per term	4.00
Harpsichord, clavichord rental, one hour each day per term	5.00
Each additional hour each day, per term	4.00
Harp rental, one hour each day, per term	5.00
Each additional hour each day, per term	4.00
Piano rental, one hour each day, per term	4.00
Each additional hour each day, per term	3.00
Practice room without piano, one hour per day per term	2.50
Each additional hour each day, per term	1.50

PARKING VIOLATION FINES	\$2.00 to \$15.00
-------------------------------	-------------------

RECORDS

Hold Fee (to release holds placed on records because of financial delinquency)	\$ 2.00
Records Search Fee (duplicate receipt)	1.00
Transcript Fee (The fee for transcripts is \$1.00 for the first copy on every order plus \$.50 for each additional copy on the same order. Pay at Record's Office) ..	1.00

SPECIAL EXAMINATION FEES (undergraduate)

Examination to Exempt Students from Taking a Required Class	\$10.00
Examination, Special Equivalency: Nonrefundable fee to take exam	10.00
Per-credit-hour charge based on a success- fully completed examination (the maxi- mum fee for credit in any one subject will be \$40 in addition to the examina- tion fee. Each examination will be treated independently of any other ex- amination and the charge will apply ac- cordingly.)	\$ 5.00

Security And Traffic

The Security Office is a protective agency established for the benefit of students, faculty, and staff. It maintains effective liaison with the local police department and is entrusted with the proper enforcement of campus rules and regulations. All matters concerning security or requiring police action should be referred to this office.

Another major responsibility of the Security Office is the control of campus vehicle traffic and parking. Every BYU student who expects to own, maintain, possess, drive, or store a motor vehicle in the Provo area must register that vehicle with the Security Office within forty-eight hours after bringing it to the Provo area.

The Security Office also offers many other services to students and staff members, including the taking of fingerprints necessary for teaching certificates, government jobs, and ROTC. In addition, an ambulance service is maintained in cooperation with the student health center, at a minimal cost.

AUTOMOBILE REGISTRATION

To obtain a parking or registration decal, the following must be presented at the Security Office, B-69 ASB:

1. Home-state vehicle registration certificate.
2. University activity card.
3. The appropriate fee.
4. The name of insurance company.

Students from out of state who do not have Utah plates may obtain a nonresident permit for the vehicle as long as they are full-time students. Full-time employees of the University or students whose wives are full-time employees do not qualify; they must purchase Utah plates and pay Utah property tax. Either a non-resident permit or Utah license plates must be obtained immediately upon registration at the University.

To obtain a nonresident permit, a student must present the following at a Security station:

1. Home-state vehicle registration certificate.
2. Proof of current safety inspection from Utah or home state.
3. Fifty cents.
4. Verification of student status (activity card).

TRAFFIC REGULATIONS

Every student who is a resident of Utah or of a state other than those listed below must have a Utah driver's license if he wishes to drive in Utah. The following states have entered into a compact and a license from any of them is good in all others:

Arizona	Indiana	New Mexico
Alabama	Iowa	New York
Arkansas	Kansas	Oklahoma
California	Louisiana	Oregon
Colorado	Maine	Tennessee
Delaware	Mississippi	Utah
Florida	Montana	Virginia
Hawaii	Nebraska	Washington
Idaho	Nevada	West Virginia
Illinois	New Jersey	

For further details regarding traffic rules and regulations, a **Traffic Rules and Regulations Booklet** may be obtained at no charge from the Security Office located in the Abraham O. Smoot Administration and General Services Building. All faculty/staff members and students will be responsible for the information contained therein.

Brigham Young University maintains a zoned parking system. Upperclass permits are \$6 per semester for juniors, seniors, and graduates. Lowerclass permits are \$3 per semester and available to all students. The required registration is free but allows no campus parking until after 4:00 p.m.

New Academic Information

REVISED GENERAL EDUCATION REQUIREMENTS IN RELIGION EFFECTIVE SEPTEMBER 1, 1972

This policy revision will require every full-time undergraduate to take a religion course each semester in residence until a total of 14 semester hours has been accumulated. The specific applications are as follows:

1. For full-time undergraduate students (10 hours or more), one religion course will be required each semester until a total of 14 semester hours has been accumulated.
2. For part-time undergraduate students, one religion course will be required for each 16 regular semester hours accumulated, until a total of 14 hours in religion has been accumulated.
3. The required religion course will be 2-hour courses each semester for freshmen, sophomores, and juniors and 1-hour courses each semester for seniors.
4. Religion credit earned at Church Educational System colleges and institutes will be fully transferable to accumulate the 14-hour total, subject to the 3-hour-per-semester maximum (prescribed in item 5). Students transferring religion credit must still take one religion course each semester until 14 hours have been accumulated.
5. No more than 3 hours of religion credit earned at BYU or elsewhere during any one quarter or semester will be counted toward the 14-hour maximum. Religion credit in excess of this amount, however, will be counted as elective credit in

computing total hours required for graduation.

6. All students and faculty members are encouraged and expected to attend devotional assemblies; however, no religion credit will be granted for such attendance. Credit earned by attending devotionals prior to September 1, 1972, will count toward the 14-hour total.
7. Graduate students are encouraged to register for 1-hour or other religion courses of their choice, but they are not required to register for a prescribed number of hours.
8. All undergraduate students are required to obtain credit for a 4-semester-hour sequence in Book of Mormon instruction, either at BYU or elsewhere on a college level in the Church Educational System. For most students, this will be Religion 121 and 122. Returned missionaries must fill this requirement by taking Religion 421 and 422. Other junior and seniors may also fill the requirement by taking 421 and 422 if they can verify to the dean of the College of Religious Instruction that they have studied the Book of Mormon intensively enough to provide a background equivalent to that of the returned missionary.
9. Remaining courses may be selected from the range of religion courses offered by or under the direction of the College of Religious Instruction.

HIGH HONOR RECOGNITION—GRADUATION

Brigham Young University has included in its graduation high honors recognition, "summa cum laude," in addition to the current "magna cum

laude" and "cum laude." "Summa cum laude" is awarded to those students who have earned at least 45 hours of credit at BYU and have achieved an overall grade-point average of 3.85 or higher. "Magna cum laude" is awarded to those students who have earned at least 45 hours of credit at Brigham Young University and have obtained an overall grade-point average between 3.70 and 3.84. "Cum laude" is awarded to those students who have earned at least 45 hours of credit at Brigham Young University and have obtained an overall grade-point average between 3.50 and 3.69. Although the graduation program will indicate the nominees for high honors recognition, the high honors recognition will not be determined until after all grades are submitted for the student's last semester prior to graduation.

GRADUATION APPLICATION FEE AND DEADLINE

Students applying for graduation should pick up their applications from their major department or College Advisement Center. The completed application, initiated by the major department, along with the \$12 application fee should be submitted to the cashier by January 15 for students applying for April commencement and by May 15 for students applying for August commencement. Students not applying by their prescribed deadline will be automatically considered for the next commencement. All students are encouraged to apply for graduation early in their junior year (65 to 96 credit hours).

GENERAL EDUCATION RECOGNITION OF TRANSFER CREDIT

Transfer credit, which fills general education requirements at the institution from which it was transferred, will be recognized to meet the same general education requirements at Brigham Young University.

COLLEGE OF GENERAL STUDIES

The former General College has been redesignated as the College of General Studies. A specific emphasis is being structured within the college to assist students who are uncertain as to their desired major. It is recommended that any student who does not have a firm commitment to a declared major register as an "undeclared major" in the College of General Studies.

Students desiring further information should contact the College of General Studies Advisement Center.

NEW GENERAL EDUCATION CURRICULUM

The general education requirement in biological sciences can be satisfied through a new program entitled Phase Achievement System (PAS), which has been designed to accommodate the specific interests of all students. PAS allows a student to study those biological topics (phases) that are most interesting and important to him and his day-to-day living at his own speed and at whatever time of the year is most convenient. Phases may be completed anytime during the year, and credits are awarded for each phase that has been successfully passed at the end of the term. Phase examinations will be offered every other week and may be repeated as often as necessary to achieve the desired grade. Lectures for the phases are scheduled repeatedly throughout the year to encourage efficient learning. A student may select the grade he will be satisfied with, and he has the freedom to continue working until it is achieved; thus, the chance for failing has been eliminated. Since registration in the traditional manner for the course "Bioscience and Man" is not required, additional ma-

terial has been prepared and is available at 597 WIDB or it may be obtained by calling Ext. 3417. Students may also write to Clive D. Jorgensen, Department of Zoology, Brigham Young University, Provo, Utah 84601.

SPECIAL EXAMINATION FEES (UNDERGRADUATE)

The following examination fee schedule became effective 1 November 1972:

Examination fee, nonrefundable (whether taken for exemption from taking a required class or for subsequent application for credit). \$10
Per-credit-hour charge for credit based on a successfully completed examination. (The maximum fee for credit in any one subject will be \$40 in addition to the examination fee. Each examination will be treated independently of any other examination and the charge will apply accordingly.) \$5

Note:

Special examination forms may be picked up by the student at department chairman's offices, at college advisement centers, or at the Records Office in the Smoot Administration Building. If a student has not previously paid the \$10 examination fee, the Cashier's Office is not authorized to accept money to permit the student to process an application for credit. A teacher who gives an examination prior to payment of the \$10 examination fee will not be given credit for having given the special examination.

EARLY CHILDHOOD EDUCATION STUDENTS

Students who are majoring in Early Childhood Education must apply in advance to take Education 200. Students should pick up their application at the Family Living Advisement Center, 1201 SFLC.

UNIVERSITY STUDIES ASSOCIATE OF ARTS DEGREE PROGRAM

The two-year Associate of Arts program in the College of General Studies is designed to satisfy the needs of those students who will benefit from working toward a definite degree but presently are unable to complete four years.

The two-year program requires courses in English, health, religion, physical education, history, social sciences, and certain courses in occupational skills. All credit earned in general curriculum classes, in addition to the credit from other colleges, can be used to fill general education requirements or can be applied as elective credit in obtaining a four-year degree.

An Associate of Arts degree will be awarded to students who complete 64 hours; 32 of these hours must fill general education requirements of the Associate of Arts degree; 21 hours must be in an academic or technical area of concentration; and 11 hours may be in the elective areas.

All students who have been awarded a bachelor's degree register as graduate students unless they have been admitted to seek a second bachelor's degree. Graduate students are classified as degree-seeking or nondegree. Applications for admission may be obtained from the University Office of Admissions. (Note: Degree-seeking applicants use an application form different from the one used by nondegree applicants.)

All materials specified in the admission application must be filed in the Office of Admissions for an application to be considered for the respective semesters shown below:

Registration

Fall Semester 1972
Winter Semester 1973
Spring Term 1973
Summer Term 1973

Other Academic Information

HONORS PROGRAM

(See 1972-73 Catalog of Courses, pages 41-42.)

SCHOLARSHIP RECOGNITION

(See 1972-73 Catalog of Courses, page 30.)

REQUIREMENTS FOR GRADUATION

(See 1972-73 Catalog of Courses, pages 23-26.)

COURSE DIVISIONS

Classes are given numbers as follows:

Preparatory and remedial courses	1-99
Lower-division courses	100-299
Upper-division courses	300-499
Courses for graduates or advanced undergraduates	500-599
Graduate courses	600 or above

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

ELEMENTARY AND SECONDARY CERTIFICATION

The change to the trimester system at BYU means that students may earn only 8 hours during the summer term. Teachers holding elementary and secondary certificates who desire the 10 hour 2 year Basic Professional Endorsement will need to earn at least 2 hours of approved Special Education course work prior to summer school enrollment in order to teach in a Special Education class beginning in the fall. Students anticipating such a program might earn the necessary course work by Home Study or during the Spring Term. For further information, contact Dr. Glen E. Thomas, Coordinator, Institute for Special Education, 245 Training Building.

HOME STUDY

Home Study is the University's "portable" program. It allows you to earn credit through correspondence work, on or off campus. There are 290 courses avail-

able, representing 45 departments. You may register for courses anytime during the year. For further information and a free catalog of courses, contact the Home Study Office, Room 210 HRCB, or telephone 374-1211, Ext. 2868. Office hours are 8:00 a.m. to 5:00 p.m., Monday through Friday.

PERSONAL DEVELOPMENT PROGRAM

Although the major emphasis at Brigham Young University is on intellectual and spiritual development, the University is also concerned with the personal and social development of its students. With this in mind, a search was made for classes which will assist students with their personal and social development through a practical emphasis on learning by doing. Two types of courses were finally selected. The first are taught by faculty from established academic departments and carry academic credit (these are identified as Personal Development classes in the departmental listings of the class schedule). The second are experiential courses taught by faculty from the Personal Development Center and do not carry credit. These latter classes involve such topics as interpersonal communication, personal and social development, educational and vocational development, and training for lay counselors. For further information contact the Personal Development Center, Stewart House, Ext. 4201, or the Personal Development Program table at Registration.

STUDENT CLASSIFICATION

At the beginning of each semester, students are classified for that semester as follows:

Credit Hours Earned	Classification
0 — 31.9	Freshman
32 — 63.9	Sophomore
64 — 95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

General Education Requirements

GENERAL EDUCATION PROGRAM

A candidate for a bachelor's degree at Brigham Young University must satisfy all of the general education requirements described below.

AREA REQUIREMENT

AMERICAN HISTORY AND GOVERNMENT. The general education requirement in this area may be satisfied by completing one of the following courses or combination of courses: Hist. 170; Hist. 120 and 121; Hist. 121 and Pol. Sci 110. A student can take an examination that will, if passed, satisfy the American history and government requirement. (Check with the University Testing Center, B-280 ASB, for testing dates.)

BIOLOGICAL SCIENCE. A student must complete a minimum of 6 semester hours selected from the following approved courses:

Biological and Agricultural Education:

- 105 (3) Agricultural Science and Industry
- 201 (4) Introduction to Biology
- 250 (3) Environmental Biology
- 351 (3) Natural History for Elementary Teachers

Botany: any botany course with a number below 490, except 161, 469 and 480.

General Curriculum: 101 (3) Introduction to Biological Science I.

Honors:

213R (3-5) Biology.

Microbiology: all courses with numbers below 490.

Zoology: all courses with numbers below 490, except 381.

ENGLISH COMPOSITION. Each student must earn 3 semester hours by completing General Curriculum 105 or English 111 or 115 during his freshman year. He must earn an additional 3 hours by taking English 212, 215, or 251 during his sophomore year, or English 316 during his junior year. The student's major department will designate which of the latter courses he should take.

HEALTH. This requirement may be satisfied by completing 2 semester hours of approved course work or by special examination arranged for with the Department of Health Sciences. Health 130 and Nursing 212 are the courses approved to fill the health requirement.

HUMANITIES AND FINE ARTS. A student must complete a minimum of 6 semester hours selected from the following approved courses:

Art: all courses in art history and appreciation and
101 (2) Introduction to Arts
110 (2) Design in Everyday Life

Communications:

101 (2) Introduction to Mass Communication

English: all literature courses.

Humanities and Comparative Literature: all courses.

Music:

101 (2) Introduction to Arts
103 (2) Survey of Music Literature
484, 485 (3 ea.) History of Music

Philosophy: all courses, except 101 and 316.

Speech and Dramatic Arts:

101 (3) Speech Communications
102 (2) Introduction to Public Speaking
115 (2) Introduction to the Theatre
121 (3) Voice, Diction, and Interpretation
301 (2) Business and Professional Speaking

PHYSICAL EDUCATION. A minimum of 2 semester hours, selected from any of the Physical Education 100-series courses, will satisfy the physical education requirement. One-half credit hour should be taken each semester in the freshman and sophomore years. Students expecting to complete this requirement with credit for military service or through other University-approved programs should check with the Graduation Office, B-164 ASB.

PHYSICAL SCIENCE. A student must complete a minimum of 6 semester hours selected from the following:

Chemistry: all courses numbered below 500.

Geology: all courses numbered below 500.

Physics: all courses numbered below 500.

Statistics:

221 (3) Principles of Statistics

RELIGION. One religion class is required for each full-time registration (10 semester hours or more) by an undergraduate student at BYU until a total of 14 semester hours in religion has been earned for a bachelor's degree or a total of 8 semester hours for an associate degree. Part-time students must complete one religion class for every 16 hours of BYU credit completed.

Any religion class in the 100 through 400 series may be taken to meet the religion requirement. All undergraduate students must obtain college-level credit for the equivalent of 4 semester hours in Book of Mormon. In computing the 14 semester-hour total requirement, no more than 3 hours of religion credit at BYU or elsewhere will be counted from any one quarter or semester.

Special Situations:

1. **Transfer Credit from LDS Colleges and Institutes.** A student may transfer religion credit to BYU to meet the general education requirement in religion. No more than 3 hours of religion credit will be counted from any one quarter or semester. A transfer student will be required to complete one religion class per semester at BYU until such time that the transfer religion credit and the BYU religion credit satisfy the 14-semester-hour requirement.

Institute credit will be appraised as follows: Credit will be accepted only if the institute director certifies that the course was taken for institute credit and was in conformance with

college standards. If the transfer college credit and the institute credit combined exceed that permitted at BYU, the student must indicate to the Office of Admissions and Records the courses for which he desires to receive credit.

2. **Students Required to Study Off Campus.** If a student is required to study off campus as a part of his degree requirements, he is required to register for religion during that semester through Home Study or a BYU continuing education center.

3. **Bible Credit from Non-LDS Colleges and Universities.** Bible credit from accredited non-LDS universities and colleges will not satisfy the religion requirement. The transfer credit will, however, apply as elective credit toward the total hours required for graduation.

4. **Credit Completed at Centers for Continuing Education.** A student must complete one religion class for every 16 hours of academic credit completed at BYU centers for continuing education.

5. **Requirements for Second Baccalaureate Degree Candidates.** Students who register at BYU for a second baccalaureate degree, after having received a first at another university, are required to take one religion class per semester.

SOCIAL SCIENCE. A minimum of 5 semester hours must be completed from the following approved courses:

Agricultural and Economics: 112 (3) Economics and Agriculture.

Anthropology: all courses.

Archaeology: all courses.

Asian Studies: all courses.

CDFR:

210 (3) Child Development

360 (3) Achieving Success in Marriage

361 (3) Family Relationships

Economics: all courses numbered below 500.

Geography: all courses numbered below 500.

History: all courses numbered below 500.

Psychology: all courses except 370 and 374.

Political Science: all courses numbered below 500.

Recreational Education:

337 (2) Philosophy of Recreation

Sociology: all courses except 220 and 320.

OTHER REQUIREMENTS

A candidate for the bachelor's degree must also complete one of the two following options:

1. **LANGUAGE.** Twelve semester hours in any foreign language (8 hours beyond the introductory 101 courses).

2. **MATHEMATICS, STATISTICS, LOGIC.** Six semester hours selected from the following:

a. **Mathematics:** College Algebra (Math 105 or above).

b. **Statistics:** any statistics course having a prerequisite of Math 105 or above.

c. **Logic:** any formal course in deductive or inductive logic or in philosophy of science (Phil. 101, 316).

d. **Certain basic courses especially suited to develop the capacity of the student to apply mathematics to scientific problems (must have a math prerequisite of Math 105 or above).** The following BYU courses are accepted:

Bio. Ag. Ed. 201 (4) Introduction to Biology
 Bio. Ag. Ed. 376 (3) General Genetics
 Chemistry 105 (4) General College Chemistry
 Chemistry 111 (3) Principles of Chemistry
 Economics 488 (3) Introduction to Economics
 Geology 311 (3) Structural Geology
 Microbiology 331 (5) Microbiology
 Physics 105 (3) Introduction to Physics
 Psychology 374 (3) Experimental Psychology

- e. Certain courses are peculiarly suited to illustrate the application of formal logic in the development of a discipline or tool area. BYU courses in this category are—

*Computer Sci. 130, 131, 132, 133 (3) Introductory Computing
 Physics 110 (3) The Development of Scientific Thought
 Physics 300 (3) Philosophical Foundations of Modern Physics
 Bio. Ag. Ed. (3) History and Philosophy of Biology

*Only one computer science class may be used in the math, statistics, logic area.

TRANSFER CREDIT EVALUATION

All transfer credit that represents college-level work from accredited institutions will be accepted. Students who transfer to BYU will have their transcripts evaluated by the Transfer Evaluation Office and will be notified in writing of the general education requirements remaining to be completed.

BYU has generally followed a pattern of course-for-course equivalency evaluation, evaluating credits on the basis of BYU general education programs and accepting all transfer credit for courses reasonably equivalent to BYU courses. In this area-by-area evaluation it is important to note that when a student takes a course at another accredited institution that counts in a given education area at that institution, we, in our evaluation for general education credit, allow that course to count in the same area.

The chairman of the student's major department evaluates other transfer credit for classes that may be used to meet major or minor requirements.

POLICY ON HOLDERS OF THE ASSOCIATE DEGREE. The University's policy for a student with an associate degree who transfers to BYU is as follows: If the procedure for earning general education credit at his junior college is similar to that followed by BYU and if the student has fulfilled some requirements in all areas and does not lack more than 5 hours in reaching the BYU total-hour requirements in general education, the student will be admitted to BYU with general education requirements considered completed.

GRADUATION

BACHELOR'S DEGREES

CREDIT REQUIREMENTS. A candidate for a bachelor's degree must complete a minimum of 128 semester hours of credit. A student seeking the Bachelor of Science in Engineering degree must complete a total of 135 semester hours of credit.

UPPER-DIVISION REQUIREMENTS. A minimum of 40 semester hours of upper-division credit (classes numbered 300-599) is required for a bachelor's degree.

MAJOR REQUIREMENTS. A student must complete at least 20 semester hours in his major department, 10 of which must be earned on the BYU campus. He must also satisfy any additional departmental requirements.

RESIDENCE REQUIREMENTS. At least 30 semester hours of credit taken in residence at BYU is re-

quired for a bachelor's degree. A maximum of 10 semester hours earned at BYU centers for continuing education may be applied toward this 30-hour requirement. A student must register and be on campus during two semesters—not necessarily consecutive—to satisfy the residence requirement.

SECOND BACHELOR-DEGREE REQUIREMENTS.

A student will qualify for a second bachelor's degree when the following requirements are satisfied: (1) BYU general education requirements, (2) major requirements, (3) minor requirements, (4) residence requirement of 30 additional hours beyond the first bachelor's degree, (5) religion requirements, and (6) all other graduation requirements set forth in the catalog for bachelor's degree candidates.

GENERAL EDUCATION REQUIREMENTS. A candidate for a bachelor's degree must satisfy the following general education requirements:

Area Requirements	Semester Hours Required
American history and government	3
Biological science	6
English composition and literature	6
Health	2
Physical science	6
Physical education	2
Humanities and fine arts	6
*Religion	14
Social science	5

A student must also complete one of the two options described below:

- A. Mathematics, statistics, logic, science 6
 B. Foreign language 8 advanced credit hours

See the section entitled "General Education Program" for detailed information.

*One religion class is required per semester in residence, including summer school. Religion 121 and 122 are required of all students.

GRADE-POINT AVERAGE REQUIREMENT. All degree-seeking students must achieve at least a 2.00 (C) cumulative grade-point average by the beginning of the semester in which they plan to graduate. Transfer students must have at least a 2.00 (C) grade-point average for both their residence credit at BYU and for their total college credit.

CORRESPONDENCE CREDIT. A maximum of 24 semester hours of correspondence credit may be applied toward fulfillment of the 128 semester-hour requirement.

"D" GRADE CREDIT. Not more than 18 semester hours of "D" grade credit may be applied toward completion of the bachelor's degree requirements.

ASSOCIATE DEGREES

Upon completion of an approved two-year curriculum, the Associate of Science degree or the Associate of Arts degree will be awarded at the regular University graduation exercises. Requirements for these degrees include a minimum of 64 semester hours of credit (nursing requires 74 hours), with a composite major of 30 credits or more and the following credits in general education:

	Associate of Science	Associate of Arts
English	6	6
American history	3	3
Health	2	2
Physical education	1	1
*Religion	8	8
Humanities	2	3
Biological science	2	3
Physical science	2	3
Social science	2	3

*One religion class is required per semester in residence, including summer school. Religion 121 and 122 are required of all students.

Exceptions:

1. Engineering students are not required to complete the biological science and social science general education groups.
2. Nursing students are not required to complete the humanities general education group or Health 130.

Of the total of 64 credits, at least 20 must be taken in residence; a total of 12 credits may be taken by correspondence. However, 15 semester hours of work completed on the BYU campus and 5 semester hours taken at a BYU center for continuing education as a matriculated student will satisfy the residence requirement for the two-year program in the Technical Institute. A maximum of 10 "D" credits will be accepted, but both cumulative and BYU grade-point averages of 2.00 or above are required. Students completing one of these programs may, if they desire, continue their work toward a baccalaureate degree.

For specific programs in fields offering associate degrees, see the Technical Institute departmental section.

JUNIOR ENGLISH PROFICIENCY EXAMINATION

Passing the Junior English Proficiency Examination is a graduation requirement that should be met during the junior year, preferably as soon as the student is eligible. Clearance for graduation must be accomplished at least one month prior to graduation. To be eligible for the examination, a student must have completed his freshman English requirements and have at least 64 semester hours of credit.

A grade of B- or better from on-campus classes in English 212, 215, 251, or 316 earned after September 1, 1971, will satisfy the Junior English Proficiency Examination requirement. The intent of this

provision is not to waive the requirement, but to have the student fulfill it by writing several good in-class essays under examination conditions. Failing to do that, the student may not be awarded a grade above C+, regardless of whatever excellence he may otherwise achieve in the class. Such is the importance the University places upon unaided, impromptu writing.

The examination is offered twice each semester on dates announced in the calendar; admission is by appointment card only. Students may obtain the cards—which specify time, place, and other pertinent information—from their own college advisement center and should plan to take the examination early enough so that they are not involved with it near graduation time (junior students always will receive preferential consideration for appointments).

The examination is free at scheduled times but may be taken at other times upon payment of a \$5 fee.

Students who fail the exam should undertake some significant remedial study, either independently with or without a tutor or by registering for English 15, "Remedial English for Juniors," which is offered each block.

The Junior English Proficiency Examination is a standardized test that measures comprehensively the full range of skills involved in good writing and effective, appropriate expression. In one section of the test the student is asked to deal with weaknesses in a composition. From a list of four choices, he selects the revision which best solves the writing problem. In another section of the test the student is asked to write a theme on a topic supplied by the examiner. The theme tests the student's ability to limit, organize, and develop a topic, and to use the language competently. The test dates are as follows:

January 20 March 10 May 12 July 7

PRIORITY

***Priority Explanation:** List your classes in order of importance to your schedule this semester.

INSTRUCTIONS: (BE SURE TO REFER TO CODING INSTRUCTIONS ON THE BACK OF THIS CARD) Please use a #2 lead pencil. This card must be completed before you come to registration. You must turn in the left hand portion to receive a packet. Be sure to list classes in order of

Importance to you. Please print clearly and press firmly. NOTE: If necessary, freshmen can obtain an advisement at registration, but this will require an extra 15-30 minutes before being able to pull class cards. FRESHMEN SHOULD SEE ADVISER BEFORE COMING TO REGISTRATION.
